Meeting Date: July 8, 2025

---

**Subject:** Introduce and Waive First Reading of an Ordinance Amending Section 18.60.060 of the Wheatland Municipal Code Relating to Animals and Animal Shelters

**Prepared By:** Bill Zenoni, City Manager

**Recommendation:** Staff recommends that the Wheatland City Council conduct a public hearing on proposed amendments to the Wheatland Municipal Code Section 18.60.060 relating to animals and animal shelters, and upon closing the public hearing, introduce and waive the first reading of an ordinance amending Section 18.60.060 of the Wheatland Municipal Code relating to animals and animal shelters. A notice of this public hearing has been published in the local newspaper and has been posted on the City website.

**Discussion:** Section 18.60.060 of the Wheatland Municipal Code addresses the keeping of domestic animals as accessory to any residential use allowed in zones other than an agriculture-exclusive zone. Section 18.60.060(D) defines small domestic animals as rabbits, poultry, and like animals, regardless of size or age.

Section 18.60.060(E) currently provides that “one small domestic animal, (as defined in subsection D, but excluding roosters, geese and peacocks) may be kept on any parcel of not less than six thousand square feet. Staff has received several requests to increase the permitted number of small domestic animals (specifically chickens) on parcels that are a minimum of six thousand square feet in size.

The Planning Commission conducted a public hearing on this matter on April 29, 2025. At the conclusion of the public hearing, the Planning Commission adopted a resolution recommending that the Wheatland City Council adopt an ordinance amending Section 18.60.060 of the Wheatland Municipal Code relating to animals and animal shelters which would increase the number of small domestic animals allowed on parcels at least 6,000 square feet but less than 10,000 square feet from one to five and would require that these animals be kept a minimum of 15 feet from property lines.

The City Council, on May 27, 2025, conducted a public hearing on this matter. At the conclusion of the public hearing, the Council discussed the proposed ordinance and requested that staff return to the Planning Commission with a proposed change to the draft ordinance which would reduce the 15 foot property line distance requirement to 10 feet.

The Planning Commission again considered this matter on June 17, 2025. The Planning Commission adopted a resolution recommending the Wheatland City Council approve an amendment to Section 18.60.060 of the Wheatland Municipal Code related to animals and animal shelters increasing to five the number of small domestic animals allowed on any parcel of not less than six thousand square feet and requiring that these animals be kept a minimum of 10 feet from property lines. The Planning Commission further clarified that these animals must be kept in a side or rear yard.

A redline version showing the proposed change is provided below.
