

# City Council Meeting Staff Report

Meeting Date: December 9, 2025

---

**Subject:** Consideration and Adoption of Resolution Accepting the Work Performed by LaFleur Engineering, Inc. and Authorizing the City Manager to File a Notice of Completion for Construction of the PG&E Distribution Line Relocation Project

**Prepared By:** Dane H. Schilling – City Engineer  
Allison Cronk – Coastland | DCCM Civil Engineering

## Recommendation:

Staff recommends that the Wheatland City Council adopt Resolution 60-25 (Attachment 1) accepting the improvement work performed by LaFleur Engineering Inc. for construction of the PG&E Distribution Line Relocation Project, and authorizing the City Clerk to file a Notice of Completion (Attachment 2) for the project.

## Discussion:

On June 10, 2025, the City Council adopted Resolution No. 21-25 authorizing the City Manager to sign an agreement to accept additional funding from the Yuba Water Agency for the Wheatland Regional Sewer Pipeline Project.

On June 10, 2025, the City Council adopted Resolution No. 22-25 which authorized the City Manager to enter into a utility relocation agreement with PG&E for relocation of overhead power lines in the vicinity of the City's Malone Sewage Pump Station, for the City to engage a contractor to install electric conduits prior to construction by PG&E, and pay any associated PG&E and City costs not to exceed \$1,300,000.00.

On August 21, 2025, City Staff issued the project for informal bid to the City's list of Contractors. One bid was received from LaFleur Engineering, Inc. for a total contract amount of \$64,275.00.

On October 17, 2025, a notice to proceed was issued to LaFleur Engineering, Inc. to complete construction of the project.

A final inspection was performed on October 24 2025, by City Staff and Coastland | DCCM. The work was found to be complete and in accordance with the contract documents.
