

Fire Department

Charter Township of White Lake

To: White Lake Township Board
From: J. David Feichtner, Fire Chief

Re: NBS Furniture Approval

At the special Board meeting on January 15, 2026, the Board approved a request for approval for a "not to exceed amount for owner provided items" for the new buildings.

The fire department total did not include the furniture provided by NBS (the vendor providing all the office furniture for the township project) which we had estimated at \$80,000. There is an "owner supplied (OS) furniture" line, however, this is separate from the office furniture that will be provided by NBS.

Attached you will find the cost estimate from NBS for the office furniture totaling \$78,973.68.

We are requesting the Board approve the total for the office furniture.

Should you have any questions please do not hesitate to contact me. Thank you.
