Re: COMMUNITY ENGAGEMENT UNIT PURCHASE(S)

I, propose the following purchases in this document to supply our community engagement endeavors. With the events that we host, such as the Open House, Youth Police Academy, and other community relations events, it is imperative that we have a dedicated vehicle for these purposes and that we maintain a sufficient supply of items for giveaways and community involvement. These tangible items serve as a token of humanization and break barriers between the police and the public. Positive interaction between police officers and families can transform potentially tense interactions into positive, approachable moments. These promotional items in this proposal represent the White Lake Township Police Department's commitment to safety, fostering long-term goodwill and trust within our community.

Detective Welling has researched and received bids for the purchase of a vehicle for community engagement purposes. This vehicle is to be used to foster positive interactions outside of traditional enforcement settings. Unlike a standard patrol car, this vehicle will not be equipped with a partition, radio, MDC, or rifle racks. Instead of standard patrol duty, this vehicle's purpose includes but isn't limited to supporting police events, school events, and local festivals/parades. By making this vehicle present at areas where residents gather, the department can facilitate informal dialogue, hand out safety materials, and provide a visible/friendly presence that fosters long-term trust with the public, including the youth that are involved at every level of our society. The vehicle selected for this purpose is a 2026 Ford Bronco. This vehicle provides an approachable, iconic presence, given our "four seasons playground" motto. This vehicle also provides utility for transporting community giveaways, supplies for our events, and can be upfitted with lights/sirens for events such as the WLTPD Open House and local parades. With the Badlands Edition's "Sasquatch" package, the vehicle comes with a high-clearance suspension and larger wheels, providing an attraction for adults and children alike. The Badlands Series also has a preinstalled auxillary switch panel, eliminating the need for a light controller to be installed in the vehicle for red and blue lights. The request for bids regarding the community engagement vehicle was under the following parameters:

FORD BRONCO

- 2026 Ford Bronco, Badlands Series Mid Package
- Sasquatch Package
- Molded Hard Top
- 2.7L EcoBoost Engine
- Oxford White Color
- Black Onyx Interior
- Remote Start System
- Floor Liners
- Sound Deadening Headliner
- 17" Black Aluminum Wheels

Detective Welling received the quotes from all requested dealerships, using the government-bid amount for the purchase. The quotes from each dealer are as follows:

QUOTES

- LaFontaine Ford Lansing\$59,749.00
- Lunghammer Ford Owosso.....\$62,136.00
- Garno Bros Ford.....\$59,995.00

All contacted dealerships advised that they were able to obtain the vehicles. Upon reviewing all quotes and speaking with all sales representatives, it is my recommendation that we select LaFontaine Ford Lansing for the purchase of the vehicle. The LaFontaine Lansing quote is \$246.00 less than the next lowest received quote.

Due to the suggested uses for the vehicle, I recommend that the vehicle be upfitted with a basic light package. The following parameters were suggested for upfitting:

LIGHT PACKAGE

- Flashing red/blue lights in each of the following locations:
 - o 2 - Upper windshield
 - o 2- Grill
 - o 2 - Upper rear window
 - o 2 - Rear bumper
 - o 2 - Rocker panel lightbar
- Handheld remote siren, with 100w speaker

Detective Welling received the following quotes from the following emergency vehicle upfitting companies:

QUOTES

- Arrowhead Upfitters.....\$5,266.00
- Priority One\$8,033.84

Priority One provided a mid-summer turnaround time, while Arrowhead Upfitters provided a 1-month turnaround. Upon speaking with the representatives of each company, it is my recommendation that we select Arrowhead Upfitters for the installation of lighting and sirens.

VEHICLE GRAPHICS

- Eagle Graphics.....\$3,000

Eagle Graphics is a local and reputable company, consistently utilized by the White Lake Township Police Department for patrol vehicles.

VEHICLE AND UPFITTING TOTAL:

- 2026 Ford Bronco Badlands with Lights/Siren, Graphics, Installed..... \$68,015

The acquisition of the 2026 Ford Bronco Badlands represents a strategic investment in the long-term safety and cohesion of our community. By choosing a vehicle that is both iconic and approachable, we move beyond traditional enforcement to meet our residents where they are, transforming the department's image from a distant authority to an active community partner. Selecting LaFontaine Ford Lansing and Arrowhead Upfitters not only ensures the most responsible use of taxpayer funds through the lowest competitive bids but also guarantees a rapid turnaround for deployment. This vehicle will serve as a permanent bridge between our officers and the public, ensuring our department remains a visible, friendly, and integral part of our "four seasons playground" for years to come.

COMMUNITY ENGAGEMENT ITEMS

The White Lake Township Police Department utilizes community engagement merchandise to bridge the gap between law enforcement and the residents it serves. Distributing these items during our community events, such as the Open House, Shop With a Cop, Youth Police Academy, T.E.A.M. curriculum, the department fosters an approachable, friendly relationship with it's community. I propose the following items be purchased to outfit our Community Engagement Unit:

Please print and sign both pages of this contract and mail it back ASAP! By signing this agreement, you agree to the terms and conditions of this document.			
Please have a check (made out to ALLEN ENTERTAINMENT) or cash for the total amount of \$ 675 ready on the day of the event before the event begins.			
TOTAL			\$675

Please make the checks out to **ALLEN ENTERTAINMENT!**

*For church, school and non-profit events, where volunteers are provided to help setup, run equipment and help teardown after, and thus our standard rate is discounted down, we will not setup the equipment until volunteers are provided. We will only provide 2 harnesses for each volunteer up to possibly 6 harnesses. If there are no volunteers present, we will not begin operation until a volunteer (or volunteers) is/are present and trained. This is regardless of the event start time or at any time during the event (if a volunteers walks away). Allen Entertainment staff is not there to run the equipment and harnesses. Our job is to train volunteers and oversee/manage the safety and operation of the equipment and oversee the volunteers, making sure they are doing their job correctly.
