Mr. Rik Kowall, Supervisor  
Charter Township of White Lake  
7525 Highland Road  
White Lake, MI 48383

Dear Mr. Kowall:

The Road Commission for Oakland County (RCOC) will be offering its dust-control program again this season. Enclosed you will find the 2025 Application Form and Instructions that we send to our previous year customers. If your township plans to participate financially in the dust-control program, a letter confirming the amount of township participation must be received by the RCOC Department of Customer Services - Waterford Office no later than April 14, 2025. Unless this letter is received, we will assume the township is not participating in the 2025 Program.

The dust-control program will run again as it did last year, with pricing being applied per application. RCOC will hold the 2024 cost per application for the 2025 season, as illustrated on the table below. Townships that wish to cover all local and subdivision streets will get the "blanket coverage" rate while individual locations will receive the "individual" rate. This pricing allows the customers the option of selecting the best program to meet their needs.

Order type	2025 Cost/Ft per Application	2025 Cost per 1,000 ft	2025 Annual cost - 4 Apps	2025 Annual cost - 5 Apps	2024 Annual cost - 4 apps	2024 Annual cost - 5 apps
Blanket	\$0.0800	\$80.00	\$320.00	\$400.00	\$320.00	\$400.00
Individual	\$0.1400	\$140.00	\$560.00	\$700.00	\$560.00	\$700.00

RCOC will continue the flexibility to this program as well: A township that originally signs up for four applications may adjust to a fifth application, provided the notice is given to RCOC prior to the completion of the third application. RCOC's goal is to best fit the customer's needs and budget.

If you plan to coordinate individual resident dust-control orders, the orders must be submitted on Road Commission for Oakland County Work Order Applications. They must include the *complete* mailing address (this includes city and zip code) of the resident requesting the order. This is necessary in case we need to communicate with residents due to irregularities in the order. Communication will be from our office to the resident, as our Maintenance Department field staff will not knock on residents' doors.

#### **INDIVIDUAL ORDERS:**

- Must be a minimum of 500 ft for local roads, minimum of 1,000 ft for subdivision streets
- The application rate is 2,000 gallons per mile per application.

#### **BLANKET ORDERS:**

- Cover *all local roads* and *subdivision streets* township-wide
  - The application rate will be 2,000 gallons per mile per application

Please find attached mileage by road for all local and subdivision gravel roads in your township (if applicable). We ask that you review this for accuracy prior to submitting your application for a blanket order.

If you have questions concerning the instructions, the Department of Customer Services at the Road Commission will be glad to give you a more detailed explanation of any part of our dust control program. You can reach the department at 1-877-858-4804. Enclosed, for your information, is a copy of the Dust-Control Program Instructions and Application Schedule.

Sincerely,

A handwritten signature in blue ink that reads "David Czerniakowski".
