Re: Assessing Vehicle Replacement Request

Please accept this memo and attachments for consideration of replacing one of the Township's Assessing vehicles. The Assessing Department has two 15-year-old Ford Escapes that are at the end of their useful life. The specific vehicle I would like to replace is currently at Suburban Ford waiting on a decision to be repaired (estimate attached \$3,627). The township has the opportunity to purchase a new vehicle with a \$5,000 rebate which expires March 24, 2023.

The repairs required on the vehicle present safety concerns for our employees, as well as, citizens on the road. My fear is the \$3,627 repair is just the beginning of future repairs the 15-year-old vehicle will likely experience. I apologize for the short notice of this agenda item, however, the opportunity to purchase a vehicle with a discounted price recently presented itself.

Thank you for considering this request.
