## Fire Department

Charter Township of White Lake

### **ADMIN:**

- 1) The State EMS office has changed their requirements for our paperwork again for our Bennett Bill renewal. We are working on getting that completed with the Oakland County Medical Control Authority. We are all working together to move forward trying to keep up with their adjusted requests. We are still on track to be done in time for renewal in February.
- 2) We have new software for our mandatory EMS reporting and fire reporting. We are finalizing the legal contract with them and our attorneys currently. We hope to have it done in January. We are also looking for this solution to track and record all fire and EMS training.
- 3) We have interviewed three (3) more staff for part-time positions. Two (2) accepted the offers. We will be interviewing four (4) more in January. They have varying levels of training. We will start to move towards two (2) hiring windows a year-one in June and another in November. This will coincide with the training academies that start shortly after those time frames.
- 4) One (1) cadet resigned from the department.
- 5) The deputy fire chief position was posted. We are planning on interviews in early February.
- 6) We have received grant funding for two (2) people to attend paramedic class. We will be posting for this class in early January. It is a hybrid course that should finish in about 10 months rather than the usual 18 months.
- 7) The fire chief was elected president of the North Oakland Mutual Aid Association.
- 8) We attended a first responder appreciation ceremony for all who assisted with the mass casualty event at the church in Grand Blanc.

### **APPARATUS MAINTENANCE:**

- 1) The old Medic 1 has been shipped back to Emergency Vehicles Plus to have the rear box remounted on the new chassis. This should be completed in early 2026. We will likely get the chassis back for us to auction off. They did offer us about \$3,000, but we believe we can get much more for it.
- 2) Engine 2 returned from the body shop and is in service. It is awaiting re-licensure for EMS from the State of Michigan.

### **FIRE PREVENTION:**

- 1) Annual Life Safety inspections completed: 5 (54)
- 2) Re-inspections conducted: 0 (12)
- 3) Plan reviews completed: 4 (46)
- 4) Fire Suppression Inspections: 0 (17)
- 5) Home safety inspections completed: 2 (35)

## Fire Department

### **TRAINING:**

- 1) We had two (2) people successfully pass their Fire Officer 1 course.
- 2) We have four (4) members who will be taking their Fire Instructor I certifying course. This is a State requirement to take and certify as a Fire Officer I.
- 3) We have two (2) cadets finish their EMT program. They are scheduling their national certifying exams currently.
- 4) Four (4) firefighters are in the midst of their Paramedic program
- 5) In-house training for the month included lithium ion batter hazards, FDC and Knox boxes, and commercial suppression systems.
- 6) Recruits and Part Time firefighters were exposed to more hose deployment and inventory training. They also began studying for their EMT class final.
- 7) Several new cadets will be going to the Northeast Oakland Fire Academy in January of 2026.

### **KUDOS:**

- 1) Thank you to everyone who made 2025 a great and safe year. We will miss our fallen brother. We will carry on in his memory providing the best service to citizens and visitors of White Lake Township.

J. David Feichtner  
Fire Chief
