Re: 2026 Regraveling Program

Dear Community Member,

The Road Commission for Oakland County (RCOC) Regraveling Program will be launched this spring, as it has in past years. As always, we welcome local community participation in the program. If you are already participating, we appreciate your continued support. Since so many communities throughout Oakland County participate in the program, it is important that interested communities commit by the deadline established below to reduce delays.

The RCOC is asking that interested communities commit, at least "verbal" (including anticipated total funding amount), by March 13th, 2026. Since this is a Countywide program, it is essential to have all the community commitments by this date because the bidding process for the Regraveling Program can take approximately 3 months from the "solicitation of bids" to the actual start of the program. An email or letter of commitment from participating communities will be required prior to the bid opening date.

The tentative timeline would be as follows:

- Township Commitment: NO later than March 13th
- Bid Solicitation: March 24th
- Bid Opening Date: April 7th
- RCOC Board Meeting: April 23rd (anticipated award of bid recommendation)
- Anticipated Start of Regraveling: Late May – Late June

Should you have any questions, please feel free to contact me at (248) 881-2167. I appreciate your cooperation and participation and look forward to serving you.

Sincerely,

DocuSigned by:
