RE: DPS Truck Purchase

Dear Board of Trustees:

DPS would like to replace the 2016 Ford Police Interceptor that was purchased through the PD auction last spring. The vehicle has 82,000 miles and is exhibiting signs of expensive maintenance needs. In addition, this vehicle is averaging 11.2 mile per gallon of gas. This vehicle was purchased as a short-term solution to a vehicle shortage within the department and is not an appropriate vehicle for utilities work.

Trucks are only lasting 1-2 days on a lot. Our procurement policy does not allow us to work fast enough to find the vehicle we need in today's supply chain shortages and demands. We have received several quotes but have not had enough time to secure a deposit before they are sold.

DPS would like the Township Board to approve a budget not to exceed \$58,175 and approve DPS to work directly with the Clerk to purchase this vehicle through his contacts. This would be a water fund purchase.

Please feel free to contact me if you have any questions.

Sincerely,

Aaron D. Potter
Director, Dept. of Public Services
