Firework Disposal Procedure

Please follow the two simple guidelines below for the proper disposal of any unused display fireworks

1. If any display fireworks are found, submerge the firework in a five-gallon bucket of water.
2. Contact Jason Trudeau with Gen-X Pyrotechnics for proper pickup.

Gen-X Pyrotechnics will pick up any unused display fireworks and take them to an authorized facility for a proper disposal.

FIREWORKS/PYROTECHNICS DISPLAY
INDEMNIFICATION AGREEMENT

The undersigned desires to discharge and display fireworks and pyrotechnics devices within the Charter Township of White Lake (the "Township"), and has submitted an application for a permit to engage in such activity. The undersigned represents that he/she has the actual authority to bind himself/herself and the organization or designee, which will benefit from the permit.

As consideration for the Township issuing a fireworks display permit (the "Permit") to the undersigned or his/her designee, the undersigned agrees, on behalf of himself/herself and the organization listed below, to release and hold harmless the Township and its employees, agents, volunteers, elected officials, and servants, and any persons who, at the request or direction of the Township, participate in organizing or overseeing, or who are otherwise present during, or involved in, the fireworks display, from known and unknown, foreseen and unforeseen, bodily and personal injuries and property damage and/or losses and the consequences thereof, including but not limited to expenses for reasonable legal fees and disbursements and liabilities assumed by the Township, which the undersigned, a designee of the undersigned, or any other individual or entity may sustain in connection with the fireworks display. The undersigned agrees to defend all claims, actions, causes of action, or any other demands asserted against the Township and its employees, agents, volunteers, elected officials, and servants, arising out of or in connection with the fireworks display, and to pay any judgments or settlements awarded, or executed by consent, in connection with such claims. The Township will give the undersigned prompt notice of the making of any claim or the commencement of any action, suit, or other proceeding covered by this agreement. Nothing in this agreement may be deemed to prevent the Township from cooperating with the undersigned and participating in the defense of any litigation by its own counsel at its sole cost and expense.

The undersigned further agrees, on behalf of himself/herself and the organization listed below, to accept all of the rules and requirements established or imposed by the Township for the fireworks display, and to follow any instructions given by the Township's fire and police personnel. The Township has the absolute right to suspend or revoke the Permit if it is determined by the Fire Marshal or a designee that the conduct of the fireworks display operator or other entity is detrimental to the public health, safety, and welfare, in which event any expenses or costs incurred by the undersigned, the organization listed below, or any user or occupant shall be forfeited and the Township shall not be obligated to reimburse any such amounts, pro rata or otherwise.

I have reviewed and understand this entire Indemnification and Hold Harmless Agreement and I agree to its provisions.
