Hi David,

It was nice speaking with you earlier today!  
Thank you for reaching out to us for pricing.

I spoke with the owner and stated that you were looking for 6 parks.  
I stated there are 3 parks with 2 units each and 3 parks with 1 unit each.

These are the prices he quoted.

Standard Event units \$135 per unit  
ADA (Handicapped) units \$155 per unit

These include 1 weekly cleaning

There would also be a delivery fee to White Lake Of \$75. This covers delivery and pickup.

Thanks again and let me know if you would like to get these scheduled.

Have a great day,

To: David W
