Honorable Board of Trustees
Charter Township of White Lake
7525 Highland Road
White Lake, MI 48383

Re: Maintenance Vehicle Purchase

Honorable Board of Trustees,

The Township has recently hired a second Maintenance Worker. We do not have a truck for this employee. As usual these days, we cannot get a final number on a truck as government priced vehicles are sold faster than our process allows.

The truck specifics are the standard $\frac{3}{4}$ ton 4-wheel drive work truck, regular cab with tow package. We are not specifying a plow on this truck as we currently have enough plows. The 2017 Ford F250 Water Dept. truck is scheduled for replacement next year. If it doesn't make it and needs to be replaced earlier than anticipated, all of the trucks in this class that we have found have the plow prep. This would allow us to quickly get the plow back into service if needed.

Upfitting would include undercoating, spray in bedliner, amber/green strobes front and rear, toolbox, class 4 trailer hitch, and Township logo graphics.

DPW requests the Township Board to approve the DPW to source and purchase a work truck at the most competitive price possible not to exceed \$55,000 and to authorize the Supervisor to execute all the documents required for the purchase.

Please feel free to contact me if you have any questions. 248-698-7700 x 226.

DPW Director
Charter Township of White Lake
