PROCLAMATION NATIONAL RECOVERY MONTH – SEPTEMBER 2023

WHEREAS; according to the Substance Abuse and Mental Health Services Administration (SAMHSA), in 2021, 16.5 percent of Americans (or 46.3 million people) aged 12 or older, were classified as having a substance use disorder in the past year, including 29.5 million people who were classified as having an alcohol use disorder; and 24 million people who were classified as having a drug use disorder; and

WHEREAS; according to Centers for Disease Control and Prevention (CDC) over 105,000 overdose deaths occurred in the United States in 2022, a 2% decrease from 2021; and

WHEREAS; substance use recovery is important for individual well-being and vitality, as well as for families, friends, communities, and businesses; and

WHEREAS; OCHN continues to educate and raise awareness of the risks and potential harm associated with prescription drug misuse; and

WHEREAS; stigma and stereotypes associated with substance use disorders often keep people from seeking treatment that could improve their quality of life; and

WHEREAS; substance use disorders occur when the re-current use of alcohol and/or other drugs cause clinically or functionally significant impairment, such as health problems, disability, and failure to meet major responsibilities at work, school, or home; and

WHEREAS; substance use disorder recovery is a journey of healing and transformation, enabling people to live in a community of their choice while striving to achieve his/her full potential; and

WHEREAS; substance use disorder recovery, benefits individuals with substance use disorders by focusing on their abilities to live, work, learn, and fully participate and contribute to society and also enriches the community culture; and

NOW, THEREFORE, BE IT RESOLVED that, White Lake Township hereby recognizes September 2023, as National Recovery Month. White Lake calls upon our citizens, government agencies, public and private institutions, businesses, and schools to recommit our state to increasing awareness and understanding of substance use, and the need for appropriate and accessible services to promote recovery.
