Re: Board of Review appointments

Comments: As you are aware, all townships and cities in Michigan are required to appoint board of Review members. The Board of Review is a critical part of the property tax system. The Board of Review hears taxpayer appeals of property tax assessments, thus providing the first step of checks and balances to all White Lake taxpayers. Board of Review members must be certified by the State Tax Commission by successfully completing a training course every two years.

I am recommending that the Township Board appoint Kim McFadden, Julia Keller, and Meredith Tyack to the White Lake Township Board of Review for the 2025-2026 term. Both Kim and Julia are returning Board of Review members and Meredith is previously an alternate.

I am also recommending that the Township Board appoint Justin Quagliata and Christine Atkinson as Board of Review Alternates. Justin is a White Lake resident and former Staff Planner for the Township of White Lake, and Christine is a White Lake resident with many years of experience in the real estate business.
