Rezone Review

The applicant, Arch Development, LLC seeks to rezone a portion of parcel 292-0515-3233-008 located off Tratt Street, in the City of Whitewater from the Agricultural Transition District, to the R-3, Multi-Family Residential District. The parcel is currently located in Jefferson County. A small portion of the parcel will remain in the AT District; however a majority of the property would be rezoned to R-3 for continued development of multi-family apartment complexes. They also seek to rezone /WUP 00359 from Agricultural Transition District, to the R-3, Multi-Family Residential District. Recently the applicant was approved to construct multi-family housing on the adjacent parcel in Walworth County, and all approvals were obtained. The applicant is proposing to continue phasing the development by constructing two additional buildings within

the area that they are proposing to rezone. The applicant is not seeking approval for a CSM, or site plan review at this time.

Per Chapter 19.21 regarding the R-3 Zoning District, the existing parcel meets all requirements of the district. Additionally, The comprehensive plan describes future neighborhood as a carefully planned mix of primarily single-family residential development, including some two-family, higher density residential, and neighborhood compatible business and institutional uses that are consistent with the residential character of the area.

Planner's Recommendations

- 1) Staff recommend that Plan Commission recommend **APPROVAL** of the Rezone to the City of Whitewater Common Council for a portion of the parcel located at 500 Tratt Street (292-0515-3233-008 & /WUP 000359), as it meets all requirements of the zoning district and is consistent with the comprehensive plan and future land use plan.
- 2) The following conditions are recommended with approval:
 - a. The area that is proposed to stay in the AT district should be parceled off via CSM to separate the zoning districts by lot and zoning designation.
 - b. Exact acreage or square footage of the proposed rezone area should be provided.
 - c. Exact acreage or square footage of the AT district should be provided.
 - d. The applicant will return for a full site plan review at a later date.
