Subject: SRO Contract

DA Wiedenfeld,

I know we discussed this verbally this week, but I just want to confirm that you would be willing to meet in person if the opportunity arises to discuss impacts of the SRO contract and/or School Board policy on our department's operations. There may be a point in the future where we discuss this further with the Superintendent or the School Board as we work to improve language.

Also, please let me know if you're willing for me to share that information (or this email) more broadly.

Thank you,
Dan
