Mr. Jeffrey Weigel
216 N Park St.
Whitewater, WI 53190

Dear Mr. Weigel,

I'm writing to inform you that, in accordance with Whitewater Municipal Ordinance 2.48.080, we will be recommending your removal from the Parks and Recreation Commission (PARC). This ordinance allows for the removal of a board or commission member when it is determined to be in the best interest of the city, and specifically includes removal for two consecutive unexcused absences from regular or special meetings.

As attendance is essential to the work and effectiveness of our boards and commissions, the ordinance requires that any absences be excused by the City Manager in advance. In this case, your absences from two consecutive meetings were not excused. Additionally, records show that you have missed more than half of the scheduled meetings from 2024 to 2025. Given this pattern of non-attendance, we must proceed with a recommendation for removal. This recommendation will be presented at the April 15, 2025 Common Council meeting.

We are grateful for your willingness to serve the community, and we hope you'll consider future opportunities to stay involved in city service.

If you have any questions or wish to discuss this further, please don't hesitate to reach out.

Best, - JSW
