Re: Recommendation- Elizabeth Miller for Library Board

I am pleased to recommend Elizabeth Miller for appointment to the Library Board. Elizabeth brings a strong background in education, having taught English to grades 7-12 for nine years, including the past four at Whitewater High School. She also coached the school's Forensics (Public Speaking) Team and is a passionate advocate for stories and literacy in all forms.

As a mother of two young children and a frequent library user, Elizabeth deeply values the Irvin L. Young Library's role in the community. She is committed to supporting and expanding the library's partnerships and programs to serve families and residents of all ages. Her personal and professional experience make her an excellent candidate to help guide the library's future.

Thank you for your consideration.
