BACKGROUND

(Enter the who, what, when, where, why)

Recently the Common Council has asked staff to look into options for investing in public art. Due to this direction the Public Art Committee has reemerged. At a recent Public Art Committee meeting Brienne Brown, a member of the Public Art Committee, had asked if staff could explore painting either utility or traffic boxes. I met with Brad to ask if this is something that we could pursue, and if so, what boxes were a good fit for this project.

Brad shared that the Traffic Signal Control Boxes would be a great option for this project to come to fruition.
