

DEPARTMENT/FUNCTION

The Emergency Operations Coordinator and Deputy Coordinators, under direction of the City Manager, ensures that the City's emergency operations plan remains current and that all emergency operations resources remain functional and ready for use in the case of a significant emergency or disaster. In the event of an emergency, the Emergency Operations Coordinator maintains effective communications between local and state agencies to ensure the proper safety and education of Whitewater residents.

DPW ADMINISTRATION

DEPARTMENT/FUNCTION

Streets/Parks/Forestry and Stormwater Utility is responsible for the maintenance and upkeep of all City owned streets, sidewalks, street lights, traffic signals, street signage, City owned parks including all entities associated within all parks, all maintenance of City owned trees along with making sure our stormwater system is maintained and to meet the requirements of the DNR issued Municipal Separate Storm Sewer System (MS4) Permit.

MISSION

To provide and maintain all aspects of the operations that this department provides to the Citizens of the City of Whitewater along with making sure all visitors to our City have a safe and enjoyable visit. We will continue to respond in a prompt, courteous and professional manner when dealing with any concern of all City residents or visitors.

PERSONNEL SUMMARY	2020	2021	2022	2023	2024	2025

Full Time Staff GIS Analyst	8	8 -	8 -	8 1	8 1	8
Administrative Assistant (15%)	1	1	1	1	1	1

Full time staff levels have remained steady. The major concern of staffing is that there has not been any increase in full-time staff, but additional miles of streets, additional bike/walking paths, additional park lands as well as additional stormwater ponds with maintenance needs have all increased over the time frame listed. GIS Analyst was reallocated from Neighborhood Services to DPW as of the 3rd quarter of 2023.

The City is required to self-rate our streets every two years (odd numbered years). The City uses the PASER rating system with a ranking of 1 -10 with 10 being the best. The rating takes into account the City's efforts in conducting street maintenance activities including: crack filling, sealcoating, asphalt overlay and street reconstruction.

GOALS & OBJECTIVES 2026/2027 OUTLOOK

- Develop 5 Year Street Maintenance Plan (2028 2032) Determine streets, with associated costs, for the
 next five years for improvements. Projects to include reconstruction, asphalt overlay, seal coating and crack
 filling.
- Develop Sidewalk Replacement Plan Identify defective sidewalk throughout the City and develop a plan to replace a desired amount each year.
- Equipment Replacement Fund Continue to define a schedule to replace vehicles and equipment in the street department to provide employees with better and upto date equipment.
- Construction of Jefferson Street, Putnam Street, and Franklin Street/W. Main Street Intersection –
 Coordinate with Strand Associates in oversight of the reconstruction of Jefferson Street from E. Main Street
 to north of Starin Road, including one block of North Street east of Jefferson Street and extending sanitary
 sewer on the north side of Starin Road east of Jefferson Street; Putnam Street from Walworth Avenue to
 Janesville Street; and improving the southeast turning movement for semis at the Franklin Street and W.
 Main Street intersection.
- Biennial Street Projects Together with Superintendents and Strand, develop construction plans in 2027 for street reconstruction projects in 2028.
- Continue to reduce the amount of salt and sand applied to streets during winter operations by incorporating additional brine applications as snowplow trucks are updated.
- Continue cross training of new staff to prepare for upcoming retirements.

GENERAL GOVERNMENT DEPARTMENT OF PUBLIC WORKS

DPW ADMINISTRATION

- Working together with GIS to update storm sewer maps and street lighting. Continue to address the maintence of existing City owned stormwater BMP's.

DEPARTMENT/FUNCTION

The Administrative component of the police department provides overall management, logistical support, policy setting, and decision making relative to all aspects of the organization. The Patrol component provides for the protection of life and property through a proactive approach to policing and public safety by uniformed patrol officers. The Investigative component of the Department provides follow-up investigation of various crimes by plain-clothes detectives. The Support Services component provides clerical and record keeping functions. The Communications component handles emergency and non-emergency radio and telephone service for the Whitewater Police Department, Whitewater Fire Department/EMS, UW-Whitewater Police Services, and the LaGrange Fire and Rescue.

MISSION

We strive to be leaders in policing for our community and models of character, honor, service, and excellence. We resolve to develop a creative problem-solving workforce dedicated to innovation and meeting the challenges of tomorrow. In times of crisis, we strive to defend public safety, maintain order, and restore a sense of personal wholeness. Our goal is to protect and serve our diverse and dynamic community with integrity, dignity, and respect.

WIBRS Offenses by Month

Offense counts are calculated based on the number of offenses for each victim (per incident) for Crimes Against Persons and the number of unique offense types (per incident) for Crimes Against Property and Crimes Against Society. For burglary and motor vehicle theft, offense counts are based on the number of premises entered and the number of vehicles stolen, respectively.

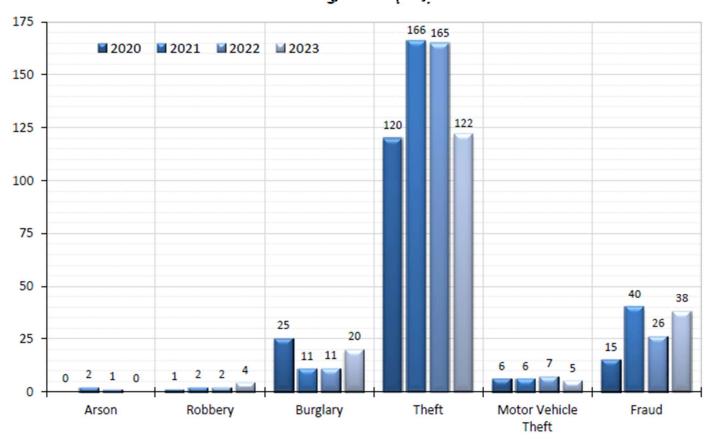

These counts are generated on the Wisconsin Department of Justice - Uniform Crime Reporting website. Counts are based on the month of the incident, rather than the month the incident was submitted. If the incident date is unknown, the report date is used. Counts are subject to change as data is updated.

GOALS & OBJECTIVES 2024/2025 OUTLOOK

 Utilize Propio to communicate and provide services to segment of the Whitewater population that doesn't speak English.

Action Plan:

Whitewater is in the midst of a massive shift in demographics with many non-English speakers moving into the area. In order to meet this need, staff at all levels of the Whitewater Police Department organization will utilize Propio Language Services throughout 2024 to better communicate with individuals who do not speak English. Our clerical staff and dispatchers will use the system when within the police department or when communicating with individuals over the phone. Our patrol officers will primarily use the system while responding to calls for service to ensure the contact is completed as efficiently as possible, while getting all pertinent information effectively communicated to all parties. The administrative staff will utilize Propio when appropriate during community outreach events to foster inclusion and ensure the resources provided by WPD are accessible to all. The Whitewater Police Department's use of Propio is tracked. Quarterly, statistics will be run to determine how many times our staff has used Propio, the average call time for a session, as well as to determine what employees may need additional training or assistance in utilizing Propio.

How will the City find ways to communicate without a newspaper? Increase understanding of how the community broadly consumes information and become more efficient in sharing information.

 Use innovative communication techniques by using the PD Facebook page in increasingly creative ways.

Action Plan:

Whitewater Police Department staff currently utilizes social media via Facebook. However, the information posted is relatively common in law enforcement utilizing written posts and photo attachments. In order to better serve the community, the WPD administration will begin posting video recorded press releases when appropriate and will post recorded WPD officer body cam footage (redacted as needed) showing examples of noteworthy officer interactions. Equipment including a video prompter and banner will be explored and purchased if feasible to assist in ensuring posting video recordings are professional. Staff will post a minimum of four video recorded press releases or WPD officer body cam recordings in 2024. WPD administrative staff will review this goal quarterly to determine if we are on track for the annual goal. Goal Impacted:

How will the City find ways to communicate without a newspaper? Increase understanding of how the community broadly consumes information and become more efficient in sharing information.

• Implement a Spanish fluency incentive for our sworn personnel.

Action Plan:

The Whitewater Police Department administration recognizes how critically important it is to employ and retain staff who can speak foreign languages. Given the current demographic shift occurring in Whitewater, the ability to speak Spanish is extremely desirable. To address this, the administration's goal is to establish a Spanish fluency incentive with both the Whitewater Professional Police Association (WPPA) and the Whitewater Professional Police Supervisory Association (WPPSA). The annual stipend will award \$500 to sworn staff who can prove they fluently speak and read Spanish. By July 1, 2024, WPD administrative staff will evaluate whether or not the incentive is incorporated through the bargaining processes, and if implemented, will analyze the impact to determine if extending such an incentive to non-sworn staff should be considered. Goal Impacted:

How will the City improve and communicate recruitment and retention efforts with a focus on diversity? To identify metrics to improve retention and evaluate or establish recruitment measures.

GOALS & OBJECTIVES 2024/2025 OUTLOOK

• Offer business checks by staff trained in crime prevention.

Action Plan:

In order to attract business to the City of Whitewater, business owners must first believe that the City is a safe place to run a business. To that end, in 2024, the Whitewater Police Department will develop a team of officers trained to complete crime prevention assessments for businesses within the City, with the goal of completing 12 assessments in 2024. The environmental design of the business will be reviewed to include lighting, doors, windows, locks, surveillance systems, signage, alarm systems, as well as employee access. A written report will be created by the officer that will serve to document the strengths of the business and will also provide recommendations on what improvements could be made. This service will be advertised on the WPD Facebook page and administrative staff will review the goal quarterly to ensure the department is on pace to meet the goal. If needed, additional advertising work will be done to get word out to business owners.

Goal Impacted:

How will the City support a thriving business community (including business attraction)? To better understand the underlying issues and then leverage resources.

Implement a Mental Wellness Program (MWP) for all police department staff.

Action Plan:

The Whitewater Police Department will create a Mental Wellness Program (MWP) in order to address the mental health needs, and ultimately, assist in the long-term retention of our staff. Unfortunately, WPD staff are exposed to a variety of unhealthy and stressful situations in the course of their duties. This impacts staff at all levels of the organization. Our dispatchers are burdened with hearing crying and screaming during critical incidents, but not being able to be there for their closure. Our sworn staff directly witness tragic incidents and circumstances from abuse and maltreatment, to automobile crashes and death. Our clerical staff have to view these incidents second-hand as they review body cam footage for redaction when records are requested. The MWP would require each staff member to attend an annual appointment with a trained clinical psychologist specializing in law enforcement for a mental health check-in. Staff would be given the day off on the day they attend the appointment. This program will cost the department \$10,000 annually. Goal Impacted:

How will the City improve and communicate recruitment and retention efforts with a focus on diversity? To identify metrics to improve retention and evaluate or establish recruitment measures..

DEPARTMENT/FUNCTION

The Neighborhood Services Department (NS) is responsible for land use planning / enforcement, and Geographic Information System mapping. The department also maintains oversight for fire inspections.

Land use planning/enforcement duties include:

- Oversight and enforcement of zoning and building codes.
- Issuance of building permits and oversight of building inspections.
- Maintenance of the City's Comprehensive Land Use Plan; maintenance of city-wide Geographic Information System (GIS) mapping.

Neighborhood Services coordinates these responsibilities with input and oversight from the Plan and Architectural Review Commission. Neighborhood Services also provides administrative support to the Landmarks Commission and Urban Forestry Commission and serves as the liaison to the Whitewater's Historical Society in matters concerning maintenance of buildings in the Main Street Historic District, on the National Register of Historic Places and those considered Whitewater Local Landmarks.

MISSION

The Neighborhood Services Department helps Whitewater build and grow. The department issues building and zoning permits, enforces the municipal code, maintains mapping data and engages in short- and long-term land use planning.

GOALS & OBJECTIVES 2024/2025 OUTLOOK

- Assist Developers through the permitting process by providing timely information and guiding them to the
 appropriate committees. Anticipate any Comprehensive Plan changes that may need to be made to allow
 for residential units to be built.
- Conduct pro-active meetings with community members and targeted groups to discuss code enforcement throughout the community. Record a meeting that can be posted to the website and played on tv channel on a continual basis.
- Determine if the outsourcing of zoning and code enforcement hours is appropriate for the budgeted amount compared to providing services in house.

DEPARTMENT/FUNCTION

Recreation is responsible for providing a comprehensive offering of programs for all ages and abilities. Programs vary from recreational to competitive sports, to exercise wellness, to arts and culture, enrichment programs and community special events. The initiative for growth in programming comes directly from citizens requests. Administrative costs are funded by tax dollars, but direct program expenses are supported by a variety of user fees. The department staff work closely with community groups and organizations to promote, deliver, and administer a comprehensive program while attempting to not duplicate services.

MISSION

The City of Whitewater Parks and Recreation Department provides efficient and high-quality programs and services which support living, learning, playing and working in an exceptional community.

GOALS & OBJECTIVES 2024/2025 OUTLOOK

- Develop Lakes District to create a comprehensive approach integrating environmental conservation and enhancing the health of Trippe and Cravath Lakes.
- Develop a Lake Advisory Committee to direct the efforts of the Lakes District and ensure the preservation and enhancement of Trippe and Cravath Lakes are effectively managed.
- Update the Lakes Management Plan to consider current conditions, advances in knowledge and evolving community needs to ensure a long-term health and sustainability plan of Trippe and Cravath Lakes.
- Secure additional grant funding, including the DNR Lakes Protection Grant and other relevant programs, to support ongoing efforts in revitalizing the lakes' fishing habitat and aquatic vegetation, thereby promoting the sustainability and ecological health of Trippe and Cravath Lakes.
- Strengthen partnerships and enhance communication with community groups, non-profit organizations, and
 others to support the promotion of the city and local businesses, ultimately fostering economic growth and a
 stronger sense of community.
- Enhance communication and diversify the offerings of the Parks Department to better serve the needs and
 interests of a diverse range of cultures and demographics within our community to create a more inclusive,
 welcoming, and responsive Parks Department that serves to foster a stronger sense of belonging for all
 residents.
- Establish a comprehensive employee recognition and retention program within the parks department to acknowledge the valuable contributions of staff, foster a positive work environment, and promote long-term employee satisfaction and retention.
- Develop a comprehensive and forward-looking Parks and Recreation Strategic Plan that establishes a robust framework for departmental planning and development, guiding the department's initiatives and projects through 2030 and beyond.

FUND TYPE SPECIAL PURPOSE FUND

ASSOCIATED DEPARTMENT GENERAL ADMINISTRATION

FUND DESCRIPTION FUND 214

The Elections Fund (#214) was established in the 2017 budget year to account for election expenses and normalize the irregular annual funding needs of a varied number of elections conducted each year.

- **Fund Balance** is designated to be retained at a level necessary to fund higher election expenses in those years with more elections.
- Primary Funding Source is annual transfer from the General Fund.
- Audit Classification: Governmental; Non-Major.

FUND 216 POLICE VEHICLE REPLACEMENT

FUND TYPE SPECIAL PURPOSE FUND

ASSOCIATED DEPARTMENT

POLICE

FUND DESCRIPTION FUND 216

The Police Vehicle Revolving Fund (#216) was established in 2004 to account for the purchase of police marked and unmarked squad cars based on a scheduled rotation of one or two vehicles each year. Emergency vehicles are used 24/7 and must be in good working order. Older, high mileage vehicles are susceptible to more frequent breakdowns, time out of service for repairs, and are less reliable. Prior to fund 216, vehicles were reflected in the capital portion of the Police Patrol and/or Police Investigations budgets. Due to some past budget restraints, there have been years where no vehicles were purchased.

- Fund Balance is designated to be retained to fund the annual replacement of police vehicles.
- **Primary Funding Source** is annual transfer from the General Fund and proceeds from sales of retired vehicles.
- Audit Classification: Governmental; Non-Major.

FUND DESCRIPTION FUND 260

The Sick Leave Severance Fund (#260) was established to fund the General Fund portion of the accumulated sick leave benefit liability. This benefit pays eligible staff for their accumulated, but unused sick leave at retirement or separation. Payment is limited to the lesser of one-half of accumulated sick leave hours or 720 hours. The benefit was eliminated for new staff who join the City after June 30, 2011. Accumulated liability at 12/31/2017 is projected to be \$540,000 for 46 eligible General Fund staff members.

- <u>Fund Balance</u> is designated to be retained for funding anticipated benefit payments in the subsequent fouryear period. This estimate is to be reviewed annually as part of the budget process. After 2018 transfer and depletion of current Fund Balance, an annual 30,000 transfer is expected to fund projected retirements through 2021.
- **Primary Funding Source** is annual transfer from the General Fund.
- Audit Classification: Governmental, Non-Major.

ASSOCIATED DEPARTMENT POLICE

FUND DESCRIPTION FUND 295

The Police Trust Fund (#295) was established to account for four separate activities: Donations, Crime Prevention, Seizures and Evidence/Found Property.

• Audit Classification: Governmental, Non-Major.

DONATIONS

The K9 Unit was established in 2013 with a "By the Community, For the Community" initiative and funds were acquired through the K9 5K/10K Run (held 2014, 2015, and 2016), K9 t-shirt sales, coin jar donations and donations from businesses and citizens. This fund is to account for the revenue and expenses associated with the K9 Unit.

- <u>Fund Balance</u> is designated to be retained for costs associated with the establishing and maintaining a K9
 Unit.
- **Primary Funding Source** is donations.

CRIME PREVENTION

Accounts for the revenue and expense of safety awareness programs and supplies including Identification kits, safety pamphlets, coloring books, etc.

- Fund Balance is designated to be retained for costs associated with crime prevention initiatives.
- <u>Primary Funding</u> is from Police Department sales of Wisconsin Department of Transportation vehicle registrations. Two-thirds of the convenience fee of \$10 is retained by this fund.

<u>SEIZURES</u>

Accounts for the revenue and expense from federal and state seizures. Approved expenditures of these funds have included an electronic fingerprinting system, undercover vehicle, surveillance camera, tactical equipment and funds for undercover drug operations.

- <u>Fund Balance</u> is restricted for uses permissible by state and federal law. Portions of state-seized funds are submitted to the Wisconsin Common School Fund. Portions of federally-seized funds are retained by the U.S. Marshals Service.
- <u>Primary Funding Source</u> is derived from federal and state seizures of cash and/or vehicles used in the commission of a felony. This funding is expected to be reduced or eliminated with future changes to federal and state seizure laws.

Evidence/FOUND PROPERTY

Accounts for seized and lost/found currency.

- Fund Balance is designated to be retained until the property can be returned to the rightful owner.
- Primary Funding Source is evidence from investigations and/or found property.

ASSOCIATED DEPARTMENT ECOMONIC DEVELOPMENT

FUND DESCRIPTION FUND 900

The Economic Development Operating Fund (#900) accounts for all operating revenues and expenses necessary to maintain the Whitewater CDA office and its presence for the benefit of the community and economic development.

The office is charged with creating, coordinating, and/or executing all city community and economic development efforts The office serves as the main contact point for business growth, retention, expansion, and community development activities. Together with the City Manager, other municipal departments, the Executive Director is instrumental in the creation of and development of Tax Incremental Districts (TID's) for the city.

- **Fund Balance.** At year-end, any remaining balance not subject to Tax Increment Finance (TIF) rules or restrictions of other revenue sources will be made available for transfer back to the General Fund.
- <u>Primary Funding Source</u> is from Tax Incremental Financing (TIF) Districts per their respective project
 plans with support from the City's General Fund. As increment in the TID districts grow the resulting TIF
 revenues are designated to be used as the primary source of funding to the community and economic
 development operations. The General Fund is intended to provide secondary support to ensure that the
 office of the Whitewater CDA is appropriately funded to fulfil its Mission to serve as the community economic
 development entity for the City.
- **Expenditures**. Expenditures are to be funded first by Tax Increment contributions, followed by other revenues and lastly by General Fund contributions.
- <u>Audit Classification:</u> Governmental, Component Unit.

DEPARTMENT SERVICE METRICS

Equalized Value. Positive economic growth results in new and expanding businesses as well as new residential construction which ultimately increases the local tax base and can reduce overall property taxes for individual property owners. Equalized value can be a helpful indicator of the growth in commercial and residential development over time. Regional, state, or federal shifts outside of the community can also have an impact on equalized value.

GOALS & OBJECTIVES 2024/2025 OUTLOOK

- Enhance Housing Development Strategies:
 - Support the city's effort to develop detached and other family-style housing, aiming for 20 units annually over the next five years.
 - Implement this through proactive initiatives and policies like development incentives and through programs like marketing sites to developers and supporting innovative land deals.
- Business Attraction and Growth:
 - Attract new businesses to Whitewater, utilizing a revised and expanded business recruitment and expansion platform and enhancing the City/CDAs participation with the Innovation Center.
 - Employ strategies such as marketing, attending and hosting development summits, and building relationships with site selectors and brokers.
 - o Facilitate outreach and events for entrepreneurs and startups.
- Downtown Revitalization:
 - Address downtown vacancies and facilitate rehabilitation of blighted commercial properties.
 - Revise the loan programs to include lower interest rates, grant option, and other modernizations to spur investment.
 - o Promote the use of existing resources for business and residential revitalization.
- Collaborative Community Development:
 - Work together as CDA and staff to foster community growth in business sectors (new, existing, startups) and the residential base (family-style homes and multifamily units).
 - Apply a team-oriented approach in committee discussions to enhance collective decision-making, emphasizing the value of diverse viewpoints and collaborative problem-solving.
 - Align actions and decisions with community interests and the strategic plan, prioritizing public benefit over personal interests of individual committee members.

FUND DESCRIPTION FUND 910

The fund accounts for the revenue and expenses related to community and economic development initiatives and/or programs that are managed by the Whitewater CDA. This fund includes monies provided by State, Federal and/or local sources to promote community and economic development benefit or the entire City of Whitewater.

It is the policy of the Whitewater CDA to promote housing and community development throughout the entire City of Whitewater. The CDA is responsible for assisting initiatives and programs that:

- Provide and retain gainful employment opportunities for citizens of the City.
- Provide affordable housing in the City.
- Encourage growth of the City's tax base.
- Stimulate the flow of investment capital into the City resulting in beneficial effects upon the economy in the City.

Further, the CDA is responsible for the general economic health of the city by preventing and eliminating blight, substandard, and deteriorated areas and properties through the utilization of all means appropriate. This encourages well planned, integrated, stable, safe, and healthy neighborhoods, the provisions of healthful homes, a decent living environment, and adequate places of employment for the people of the City of Whitewater.

- <u>Fund Balance</u> is designated to fund incentives and assistance to businesses who reside with the City limits of Whitewater.
- **Primary Funding Sources** are interest payments on loans paid by borrowers and funding by State, Federal or local sources.
- Audit Classification: Governmental, Component Unit

This fund is not budgeted, but accounts for all revenue and expenditures.

ASSOCIATED DEPARTMENT MEDIA SERVICES

DEPARTMENT/FUNCTION

FUND 200

The Media Services (previously Cable TV) Fund (#200) accounts for revenue and expense related to providing media services to the Whitewater community. These services include programming for Whitewater Community Television Channel 990 as well as communications and public relations information for citizens delivered through the City's social media presence, website and outside media outlets.

- **Fund Balance** is designated to be retained to fund services provided by the department. Prior to 2017, funds were transferred out to the General Fund for general purposes. Due to declining annual franchise fee revenue, these transfers have been discontinued in favor of retaining all funds within Fund 200 with a goal to establish self-sufficiency of the department.
- **Primary Funding Source** is franchise fee revenue received under a cable television Franchise Agreement with Charter Communications, paid for by local television subscribers. Operating shortfalls will be supplemented by transfers from the General Fund.
- <u>Audit Classification:</u> Governmental, Non-Major.

Services for the City of Whitewater reach customers and citizens in many ways including television, social media, the city website, and outside media outlets to provide information and updates about the City of Whitewater.

The Media Coordinator oversees the department. Whitewater Community TV 990 is a Public, Education and Government Access (PEG) cable television station operating on Charter Communications' Digital Channel 990 in the City of Whitewater and surrounding communities. Whitewater TV broadcasts locally-produced, television programs 365 days per year and is fully funded by franchise fees paid by local cable television subscribers.

The City of Whitewater currently uses Facebook and Twitter and Instagram to gain a social media following and share information through these outlets with regular posts and alerts.

The City also has a website containing vital information about city government, agendas and minutes for city meetings, video broadcasting of events and meetings within the city, along with contact and hiring information. Media Services oversees the updates of individual departments to the website and oversees the overall layout and upkeep.

Media Services also works directly with internal staff, citizens and local media to gather and distribute necessary information to the community.

MISSION

Media Services' mission is to enhance and expand access to local government for Whitewater citizens, provide a medium for the Whitewater Unified School District, share update information to citizens in the fashion they desire and to provide equal access to local citizens interested in using video as an outlet for expressing their creative and intellectual freedoms. The purpose of Media Services' is to provide informational, educational and entertaining media and knowledge reflective of the Whitewater communities' desires and interests.

GOALS & OBJECTIVES 2024/2025 OUTLOOK

- Continue to invest time and resources into the creation of content for our social media platforms-Facebook and Instagram. By doing so the department is looking to strengthen the following of each platform by 50% by 2026. Over the past 4 months, we have seen a 36% increase in our following.
- Continue to invest time and resources into the creation of content for our PEG TV Station. The Media Services Department relaunched the TV Station in August of 2023. The Media Services would like to expand the content shown on this platform.
- Create videos highlighting local businesses and activities in the city. These videos will become
 content that will be featured on our social media platforms and the PEG TV Station
- Work with other departments to create 'how-to' videos specific to each department in case of absences/new staffing.
- Continue to gradually update equipment to non-obsolete gear. Have Media Services Staff go through the White Memorial building and complete a formal inventory of all of the equipment.
- By 2026 the Media Services staff will be fully housed at the municipal building, and will no longer be utilizing
 the space at the White Memorial Building

FUND DESCRIPTION FUND 208

The Parking Permit Fund (#208) was established in the early 2000's to account for the revenues and expenses from the sale of parking permits for use of designated public parking areas and provide primary funding for operation and maintenance of public parking facilities.

- Fund Balance is being retained until it reaches a target balance of \$385,000, an increase from the previous target of \$120,000. This change reflects the anticipated resurfacing costs planned for 2035. Any funds accumulated in the account are designated specifically for parking lot maintenance, permit sales, and surface replacement expenses. Beginning in 2026, transfers to the General Fund will be reduced by \$5,000 each year. Prior to 2018, annual transfers were made to the General Fund for general use. That practice has been discontinued in order to build and maintain a sufficient reserve, ensuring that public parking operations are self-sustaining and reducing the need for future borrowing—ultimately saving taxpayers money on interest costs.
- Primary Funding Source is revenue from the sale of public parking permits.
- Audit Classification: Governmental, Non-Major.

FUND DESCRIPTION FUND 210

The Fire/Rescue Equipment Fund (#210) is used to accumulate the funding needed to replace Fire and Rescue vehicles used within the City on a scheduled basis. Although the volunteer fire department formally organized itself as a separate organization in 2016, it continues to offer Fire and Emergency services to the City on a contract basis. The City continues to provide equipment for these services, but retains ownership of the equipment.

- <u>Fund Balance</u> is designated to be retained to fund replacement of equipment and vehicles on a planned replacement schedule.
- Primary Funding Source is from the General Fund transfers and debt issuance.
- Audit Classification: Governmental, Non-Major.

FUND 220

The Library Special Revenue Fund (#220) was established to account for the revenue and expense associated with providing a local public library. Library services include a collection of print books, graphic novels, print magazines, DVDs, Blu-rays, music CDs, books on compact disc and in Playaway digital format, downloadable digital books, audiobooks, magazines, videos and videogames, materials in Spanish, and a Library of Things: GPS devices for geocaching, Adventure Packs (Ice Age Trail, telescope and Guide to the Night Sky, etc.), mobile hotspots, outdoor games, memory kits for those living with dementia or other memory impairments. The library also has laptop computers for public use of the Internet and other software applications.

- **Fund Balance** is designated to be retained for funding of the Library's operational and capital needs under the direction of the Library Board.
- <u>Primary Funding Source</u> is from four major sources including the City of Whitewater and the Counties of Jefferson, Walworth, and Rock.
- Audit Classification: Governmental, Non-Major.

The Irvin L. Young Memorial Library is open to serve the community 61 hours per week, Monday through Thursday, 9:00 a.m.-8:30 p.m.; Friday, 9:00 a.m.-5:30 p.m.; and Saturday, 9:00 a.m.-3:00 p.m.

The library is governed by a seven-member board of trustees appointed by the City Council to staggered three-year terms. One member of the board is a City Council member and one is appointed as a representative of the Whitewater Unified School District by the district superindentent.

MISSION

We will have the space and the stuff to do the things that you want.

GOALS & OBJECTIVES 2024/2025 GOALS

- The library will begin the expansion and renovation process for the existing library building.
- The library administrative staff will contribute to the City's monthly newsletter to send out event information, content on new materials in the collection and monthly updates on the capital campaign and building project.
- The library director and the programming and makerspace librarian will schedule a meeting with the executive director of the Whitewater Area Chamber of Commerce to discuss ways that the library can provide assistance and information to local small business owners.
- The director, assistant director, youth educational services librarian and programming and makerspace librarian will use 2018, 2019, 2022, and 2023 data and budgets to analyze changing usage trends across nonpandemic years for both physical materials and event attendance. This information will be used to prioritize material expenditures and event types.
- The programming and makerspace librarian will record three programs each year in collaboration with the city staff for broadcast on the city's TV station to make programs available to community members who cannot attend in person.

FUND 235 RIDESHARE GRANT PROGRAM

FUND TYPE SPECIAL REVENUE

ASSOCIATED DEPARTMENT

FINANCE

FUND DESCRIPTION FUND 235

The Ride Share Fund (#235) is used to account for the revenue and expenses related to the shared ride taxi program offered in the City. The Federal and State departments of transportation provide financial support to small communities where fare revenue is not sufficient to maintain public transport options for residents. The City outsources the operation of this service, but provides vehicles and operational funding to maintain the service. Brown Cab Service is the current provider; however, the City is exploring alternative service delivery options when the contract is re-bid in 2027 for 2028 service.

- Fund Balance is designated for annual operating budget and vehicle replacement.
- **Primary Funding Source** is Federal/State grants, fare revenue and General Fund transfers.
- Audit Classification: Governmental, Non-Major.

GOALS & OBJECTIVES 2024/2025 OUTLOOK

- Increase awareness of our organization's capability to host baseball and softball tournaments while actively
 promoting outside tournaments on social media platforms, tournament-specific websites, and our own
 website.
- Develop a consistent field turf maintenance plan that not only streamlines maintenance efforts but also enhances the quality of playing surfaces, ensuring a better experience for athletes and reducing the risk of injury due to poor field conditions.
- Strategically adjust team fees and concession pricing to enhance revenue streams, ultimately covering increasing staffing and field maintenance costs while maintaining customer satisfaction and market competitiveness.

ASSOCIATED DEPARTMENT PARK & RECREATION

FUND DESCRIPTION FUND 247

The Aquatic Center Fund (#247) was established in 2016 for the operation of the Whitewater Aquatic and Fitness Center (WAFC). The WAFC facility is located on the Whitewater High School Campus and is a partnership between the City of Whitewater and the Whitewater School District governed by the Parks and Recreation Advisory Board (Park Board). The City and School district each contribute financially to the facility for the benefit of the community. The City assumed responsibility to operate the facility on July 1, 2016.

- **Fund Balance** is designated to be retained for funding of the facility's operational and capital needs under the direction of the Park Board.
- <u>Primary Funding Source</u> is program fees with annual operating and capital contributions from the City of Whitewater and the Whitewater Unified School District.
- Audit Classification: Governmental, Non-Major.

GOALS & OBJECTIVES 2024/2025 OUTLOOK

- Continuously assess staffing levels, program offerings and facility schedules to identify and implement costsaving measures, ensuring that we reduce expenses without compromising the quality of services.
- Develop a comprehensive membership recruitment and retention strategy that effectively engages a diverse
 audience, encompassing corporate stakeholders, students, healthcare providers, and other segments of our
 population, to enhance the organization's growth and sustainability.
- Develop a variety of programs that cater to the diverse needs, age groups, and skill levels of our community patrons, ensuring affordability, relevance to current trends, and efficient utilization of available resources.
- Evaluate and restructure party packages to enhance customer satisfaction, profitability, and market competitiveness.
- Utilize marketing plan to enhance communication effectiveness and maximize marketing impact, resulting in increased engagement, brand consistency, and customer-centric strategies.
- Develop and revise a comprehensive 5-year Capital Improvements Plan that addresses the facility needs of our organization and initiate a successful Capital Campaign to secure the necessary funding for implementation.
- Enhance communication and diversify the offerings of the Aquatic Center to better serve the needs and interests of a diverse range of cultures and demographics within our community to create a more inclusive, welcoming, and responsive facility that serves to foster a stronger sense of belonging for all residents.

FUND 248 PARK & REC SPECIAL REV

FUND TYPE SPECIAL REVENUE

ASSOCIATED DEPARTMENT PARKS & RECREATION

FUND DESCRIPTION FUND 248

The Parks & Recreation Special Revenues Fund (#248) was established in 2015 to track revenues and expenditures specific to recreational programs offered by the department. This fund helps pay for staffing and other program related expenses. The fund has now absorbed (account 55210,56120 and 55310) in order to show the total cost of recreation programs and services provided to the community.

- Fund Balance is designated to be retained for program use as needed.
- **Primary Funding Source** is generated from various Parks & Recreation Program Fees with secondary support from the General Fund as necessary. The stated goal of this fund is to be self-sufficient.
- Audit Classification: Governmental, Non-Major.

ASSOCIATED DEPARTMENT

FIRE-EMS

FUND DESCRIPTION FUND 249

Fund 249 was established on July 30, 2022 to account for the provision of Fire and Emergency Medical Services to the City and neighboring Townships. Prior to July 30, 2022, Fire and EMS services had been contracted through WFD, Inc., a third-party non-profit organization with a 150-year tradition of volunteer service.

All revenues and expenditures related to Fire and EMS services are accounted within Fund 249. A budgeted annual transfer from Fund 249 to Fund 210 provides for future Fire/EMS capital replacement needs and to segregate capital planning from operational needs..

- **Fund Balance** is designated to be retained for Fire/EMS purposes. Surplus fund balance may be transferred to the Fire/EMS Capital Equipment Fund 210 with approval of the Common Council.
- <u>Primary Funding Source</u> City of Whitewater General Fund transfer, Township contract billings, insurance/ patient billing for services, and grants.
- Audit Classification: .Governmental, Major.

FUND 249 FIRE & EMS SPECIAL REV

GOALS & OBJECTIVES 2026/2027 OUTLOOK

- **Community Safety:** Enhancing overall community safety through prevention, education, and emergency response.
- **Training and Development:** Ensuring that personnel receive ongoing training to stay current with the latest firefighting and emergency medical techniques, technologies, and standards.
- Emergency Response Time: Following the completion of the new bunkrooms off of the apparatus bay, staff are continuously working to improve response times to emergencies and optimizing the efficiency of emergency services.
- **Equipment Maintenance and Upgrades:** : Regularly maintaining our current fleet of equipment to ensure it meets the latest safety and performance standards. Along with regular maintenance, the department put a new Engine into service July of 2025, a new Ambulance went into service in September and our new Tower Ladder late fall of 2025.
- **Community Outreach and Education:** : Engaging with the community through educational programs, fundraising events such as the pancake breakfast, and to promote fire safety and emergency preparedness.
- Collaboration with Other Agencies: Strengthening collaboration with other emergency service providers
 through the MABAS system and attending county meetings and trainings. Working closely with City and
 County law enforcement agencies, along with local government agencies to enhance overall emergency
 response capabilities.
- **Budget Management:** Efficiently managing budgets to ensure the department has the necessary resources for operations, equipment, and personnel.
- **Technology Integration:** Adopting new technologies such as the Walworth County Radio Project, that will enhance emergency response.

FUND 810

FUND DESCRIPTION

The Rescue Squad Equipment & Education (#810) was established to account for receipt and use of donated funds held in trust by the City for the purpose of a municipal hospital in the City of Whitewater. A court order in 1989 determined that a municipal hospital was 'impossible and impractical' and that these funds could be used to benefit the Whitewater Rescue Squad as a close-alternative to a municipal hospital benefiting the community by:

- A. Purchasing technologically advanced equipment for lifesaving purposes' and
- B. Providing 'education, for Whitewater Rescue Squad members and Whitewater citizenry'.
- **Fund Balance** is held in trust to fund expenses limited to the above court guidance. While general education of the public by the Rescue Squad is permissible, Rescue Squad member training is further limited to 'advanced training such that they can become certified to use further advanced techniques and medical equipment which is now available to such specially trained individuals.
- Primary Funding Source is from a beguest and subsequent donations to the Rescue Squad.
- Audit Classification: Fiduciary, Non-Major.

FUND 820 ROCK RIVER STORMWATER

FUND TYPE AGENCY

ASSOCIATED DEPARTMENT DPW

FUND DESCRIPTION FUND 820

The Rock River Stormwater Group (RRSG) Fund (#820) was established in 2008 to account for the revenue and expenses related to this group and is separate from the City budget. It is detailed here as the City provides accounting support and serves as custodian for these funds. Wisconsin DNR MS4 permits require a public education and outreach program. Member communities in the Rock River basin found that collaborating was much more time and cost effective than attempting to administer this outreach program individually. The RRSG member communities include Waupun, Beaver Dam, Jefferson, Fort Atkinson, Whitewater, UW-Whitewater, Milton, Janesville, City of Beloit and Town of Beloit. These member communities pay annual dues based on permit requirements which are based on population. Membership dues for Whitewater totaled \$5,000 in 2018. The RRSG typically hires a consultant to assist in administering the program which currently includes outreach on social media, in newspapers, at community festivals and at local schools. Training for member communities is also conducted by professional firms.

- Fund Balance is designated for program expenses.
- **Primary Funding Sources** is member community dues, currently totaling \$49,000 annually. Occasional grant program funds are also obtained.
- Audit Classification: Fiduciary, Non-Major.

FUND DESCRIPTION FUND 920

The Innovation Center Operations Fund (#920) was established to account for revenues and expenses related to the operation of the Innovation Center, a part of the Whitewater University Technology Park (WUTP). WUTP is a joint venture between the City of Whitewater and the University of Wisconsin-Whitewater whose mission is to create and foster durable businesses and jobs through a close alignment of UW-Whitewater's research and educational competencies and the resources of the City of Whitewater. WUTP serves as a foundation for a diversified and robust regional economy through the attraction of new residents, utilization of UW-Whitewater faculty, staff and student expertise and the retention of alumni talent.

- **Fund Balance** is to be retained and be available in future years to meet any shortfalls in revenues or unexpected expenses.
- **Primary Funding Sources** is rental income from leased space in the Innovation Center supplemented by contributions from UW-Whitewater and the City of Whitewater.
- Audit Classification: Governmental, Component Unit.

FUND 300 REVENUES & EXPENDITURES

FUND TYPE DEBT SERVICE

ASSOCIATED DEPARTMENT

FINANCE

FUND DESCRIPTION FUND 300

The Debt Service (#300) was established to account for the annual debt service requirements supported by the General Fund.

- Fund Balance is used to fund annual debt repayments.
- <u>Primary Funding Source</u> is annual transfer from the General Fund as well as property tax levied by the City and Tax incremental districts (TIDs) within the City. Debt service payments are funded by the areas within the City that generated the debt and utilized the debt proceeds; i.e. Debt incurred by TIDs for development are funded through TID property tax collections, while the City's property tax levy and general revenues support the City's capital projects.
- Audit Classification: Governmental, Major.

Debt is issued to fund Capital Projects. Bonds are issued for eligible long-lived projects specified by state stature and typically amortized over a twenty year period. Projects that are not bond-eligible are financed through notes or direct borrowings over terms tied to their useful lives. General Obligation debt is the preferred type of debt utilized as the lowest interest cost option available. Revenue debt is normally used for Utility projects only when attractive rates are available, typically through state or federal government loan programs.

DEBT CAPACITY

Wisconsin State Statue restricts the amount of debt municipalities may incur to 5% of the Equalized Value of the taxable property within their borders. In 2024, the total Equalized value of property in Whitewater is \$976,283,200 an increase of \$115,117,600 from 2023 values. This permits the City to incur \$48,814,160 of General Obligation debt. The City's actual unpaid General Obligation Debt as of 12/31/2023 totals \$22,214,975 or 46% of the maximum permitted by law. To preserve financial flexibility and a strong credit profile, the City has established guidelines to further limit debt levels to 70% of the legal limit (equates to 3.5% of Equalized Value). Under this more restrictive Guideline, the City retains approximately \$11,954,937 of additional debt capacity as of 12/31/2023.

FUND DESCRIPTION FUND 450

The Capital Projects Fund (#450) is used to provide visibility to funding and expenses related to discrete capital projects in the City. Historically, the City has earmarked Utility Shared Revenue payments the City receives by virtue of having a local power generating facility to fund these projects. These payments have declined over time as the facility depreciates increasing the reliance on other sources of funding including debt.

- Fund Balance represents funding allocated to specific projects listed.
- Primary Funding Source is annual transfers from the General Fund and debt issuance.
- Audit Classification: Governmental, Major.

FUND TYPE CAPITAL PROJECT

ASSOCIATED DEPARTMENT COMMUNITY ECONOMIC DEVELOPMENT

FUND DESCRIPTION FUND 441

TID District #4 Fund (#441) on the west side of Whitewater, was continued for year 2022 as an affordable housing TID. TIDs allow the creating municipality to capture all of the taxes (City, County and Schools) on the increased value (known as "increment") created after adoption of the TID and use it for expenses outlined in the TID plan, such as payment for infrastructure costs, development incentives, marketing and administration of the TID. TID #5 is required to close by 2027 or when all TID obligations are paid in full, whichever occurs first.

- **Fund Balance** is permanently retained by the TID to be used to pay for eligible expenses in the TID as authorized by the TID plan.
- **<u>Primary Funding Source</u>** is property tax payments collected on the increased valuation of land and building improvements as a result of development in the TID.
- Audit Classification: Governmental, Non-Major.

DEPARTMENT SERVICE METRICS

The Wisconsin DNR, The Federal EPA and The Wisconsin PSC dictate the water utilities performance measures. These measures are demonstrated by WDNR inspections, WDNR Sanitary Surveys, compliance to all Federal and State mandated testing and procedures, WPDES permitting compliance, Consumer Confidence Reports and the annual PSC report to show compliance in all aspects of the water utility. Our monthly WDNR report shows compliance for all daily pumpage, kilowatt, chemical addition readings as well as daily compliance water testing and filter backwashing procedures. The water utility responds to all customer complaints and emergencies in a timely fashion 24/7, 365 days a year with the best service and knowledge of procedures possible. Additionally, we maintain the City's entire water infrastructure to include wells, pumps, distribution system, hydrants, services lines and curb stops with maintenance procedures in place for best practices. The water utility's staff are Wisconsin Certified Operators and must maintain their certification by demonstrating their skills with testing and continuous education CEU's throughout the year.

GOALS & OBJECTIVES 2024/2025 OUTLOOK

- Continue in-house residential meter replacement program and cross-connection inspections. Review ways for better communication with customers on scheduling appointments.
- Continue with an outside firm to do our non-residential cross-connection program. Provide better communication to businesses on the reason for these inspections.
- Complete both private and public side water lateral material identification per DNR/EPA mandate and enter information into the EPA website by October, 2024.
- Create program and timeline to replace private and public lead laterals. Communicate with council
 members and affected property owners the health implications of lead laterals.
- Investigae turning the bulk water fill station from manual operation and billing to an automatic system to make it more efficient for the companies who use it.
- Monitor and review new water test standards and containment levels (like PFAS) from the EPA.

FUND TYPE ENTERPRISE

ASSOCIATED DEPARTMENT WASTEWATER UTILITY

FUND DESCRIPTION FUND 620

The Wastewater Utility Fund (#620) was established to account for the revenues, expenses and capital planning necessary to meet State and Federal regulations in the pursuit of treating consumed water from residents, businesses and industrial facilities and returning the cleaned water back to the environment.

- **Fund Balance** is retained to use for future maintenance, equipment replacements and upgrades to the wastewater collection and treatment system.
- Primary Funding Source is through User Fees based on the amount of water used per customer.
- Audit Classification: Proprietary; Major.
- <u>Sewer Operating Fund:</u> This fund is used for paying all the expenses for the operation of the Wastewater Utility. It is recommended that the Utility maintain a cash balance of three to six months of the annual O&M budget.
- <u>Sewer Connection Fund:</u> This fund was established when sanitary sewer connection fees were implemented in the 80's. The sanitary connection fee that is collected from building permits is placed in this fund. The monies from this fund are to be used for the repair or construction of interceptor sanitary sewers, lift station construction and plant improvements.
- Equipment Replacement Fund (ERF): This fund is mandated by the WDNR based on the Clean Water Fund loan program. The Utility will fund the ERF using the WDNR method of maintaining a balance equal to 10% of mechanical equipment assets as determined by the City's annual audit. The required minimum ERF balance is evaluated each.
- <u>Sewer Repair & Replacement Fund(SRRF):</u> This fund was established in 2009 in conjunction with the Strand sewer rate study. The fund is used for the repair and replacement of collecting sewers for infiltration/inflow improvements and can also be used for Capital Improvement Project sewer replacement. This is a discretionary fund, thus the balance is to be determined by management. Annual transfers to this fund can be determined every year during the budgeting process based on the prior year's expenditures from the fund and planned Capital Projects. Any funding left over from large Capital Improvement Projects that required borrowing can be placed in this fund for future projects.

DEPARTMENT/FUNCTION

The Wastewater Utility is responsible for returning all consumed water within the City of Whitewater back into the environment in a responsible fashion that meets or exceeds state and federal regulations. In order to do so, utility staff is tasked with maintaining and operating the public conveyance system or the "collection system" along with the treatment facility and its associated programs.

MISSION

To efficiently operate and maintain all aspects of the Wastewater Utility in a manner that is consistent with best environmental practices while also meeting or exceeding regulatory compliance standards. Our additional duty is to respond in a prompt, courteous and professional manner when dealing with the sanitary customers of the City of Whitewater.

DEPARTMENT SERVICE METRICS

The primary performance measures that guide utility management are written into our 5-year Wisconsin Pollutant Discharge Elimination System (WPDES) permit. We have daily, weekly, monthly and annual regulatory limits which require compliance. This is accomplished through sound process operation and verified with laboratory analysis. If a violation were to occur it must be reported to WDNR representatives within 24 hours. Annually, operational success (i.e. greater pollutant removal) is reviewed and submitted as the electronic Compliance Maintenance Annual Report (eCMAR). The eCMAR ranks compliance in a grade point format. Items receiving a "C" or below requires a written response for documentation. Additionally, we compile, track and respond to all collection system complaints, monitor grease trap and dental amalgam separator ordinance compliance and maintain a testing program for septage and holding waste. All utility staff have completed or are working towards advanced level wastewater certifications. This educational component helps drive continual interest, improvements and excellence at the utility.

GOALS & OBJECTIVES 2024/2025 OUTLOOK

- For phosphorus complance, the utility continues to work towards the final end goal of 0.075 mg/l. Currently, the utility is reaching compliance via the Multi Discharger Variance. However, this variance is scheduled to end in 2027 (it may get extended pending EPA approval). Compliance options after the termination of the MDV program vary and will continue to be evaluated. The utility will continue to work towards evaluating nutrient trading and construction options. Regardless of the chosen compliance option, there will be increased costs to reach the permitted phosphorus limits.
- Improve upon our "in-house" training program by targeting needed programs as suggested by staff and by empowering staff to lead trainings in their area of interest and knowledge. With the addition of many new staff members at the Wastewater Utility it is crucial to develop a knowledge base within staff members that provides sound succession planning as well as efficient operation of the utility.
- Utility staff will be addressing items noted on past smoke testing reports in a prioritized fashion. There is work to be done on both public and private infrastructure.
- In recent years staff has worked hard at updating the information in the GIS system. The goal is to continue updating by providing maintenance records and updated locations when sewers are reconstructed.
- As an ongoing need, we will continue to plan for and verify that we can access all off-road sanitary structures in the event of emergencies. Interceptor sewer mains will be the first lines targeted.
- Continue to evaluate bio-solids handling processes and long-term planning as it relates to increased biosolids regulations and land application availability. The utility is currently working with an engineering firm to develop a long-term plan.

FUND 630 STORMWATER UTILITY

FUND TYPE ENTERPRISE

ASSOCIATED DEPARTMENT STORMWATER UTILITY

FUND DESCRIPTION FUND 630

The Stormwater Utility Fund (#630) was established to account for the revenues, expenses and capital planning necessary to comply with the State's stormwater regulations, prevent flooding and to maintain the stormwater infrastructure and equipment.

- Fund Balance is retained to use for stormwater improvements throughout the City.
- <u>Primary Funding Source</u> is primarily through assessing fees to all properties throughout the City. Fees are based upon Equivalent Runoff Units (ERU's), which represents a standardized unit of impervious area for each property as reasonably determined by the city.
- Audit Classification: Proprietary; Non-Major.

DEPARTMENT/FUNCTION

The Stormwater Utility provides for the operation, maintenance, repair and construction of catch basis, storm sewers, detention ponds, street sweeping, compost management, and lakes management.

MISSION

To provide efficient and effective operation, maintenance, repair, and construction of stormwater utility components and lake management for the citizens of Whitewater.

^{**}To help control pollutants from entering into the storm sewer system and ultimately discharging into the lakes and streams, catch basins have been installed with 2' sumps. These sumps need to be routinely cleaned out. This measure will collect the number of catch basins cleaned and the tonnage of sediment removed.

GOALS & OBJECTIVES 2024/2025 OUTLOOK

- Storm Sewer Maintenance Tracking Working with GIS staff, develop protocols to determine and track maintenance requirements on storm sewer related devices, including items such as, detention pond maintenance, inlet cleaning, inlet reconstruction, and outfall inspections.
- Communicate with Private Post-Storm Water Management Device property owners on the need to clean and maintain their devices to be in compliance with City and DNR requirements.

GOVERNMENTAL FUNDS

Funds used to account for the acquisition, use and balances of expendable financial resources and the related current liabilities - except those accounted for in proprietary and fiduciary funds. In essence, these funds are accounting segregations of financial resources. Expendable assets are assigned to a particular governmental fund type according to the purposes for which they may or must be used. Current liabilities are assigned to the fund type from which they are to be paid. The difference between the assets and liabilities of governmental fund types is referred to as fund balance. The measurement focus in these fund types is on the determination of financial position and changes in financial position (sources, uses and balances of financial resources), rather than on net income determination. The statement of revenues, expenditures and changes in fund balance is the primary governmental fund type operating statement. It may be supported or supplemented by more detailed schedules of revenues, expenditures, transfers and other changes in fund balance. Under current GAAP, there are four governmental fund types: general, special revenue, debt service and capital projects.

INVESTMENT INCOME

SCADA

Supervisory Control and Data Acquisition. An industrial control system used to monitor and control otherwise independent subsystems. The Water and Wastewater utilities use SCADA systems to ensure the various processes with their utilities are functioning properly. These systems send status notifications to alert operators of problems within the system to ensure they can find and correct issues before they affect services.

SHARED REVENUES

Revenues levied by one government but shared on a predetermined basis, often in proportion to the amount collected at the local level, with another government or class of government.

SPECIAL PURPOSE FUND

Special Purpose Funds are used to set money aside periodically for the gradual repayment of a debt or replacement of a wasting asset. The City has created a number of special purpose funds as separate components of the General Fund. Each serves an aspect of city operations that are either irregular in value, uncertain in timing or larger than can be funded within a single budget cycle. The use of these special purpose funds provide stable funding and financial visibility to manage specific aspects of city operations.
