I want to volunteer for the Whitewater Aquatic Center Board. I was a member at the beginning, then had a break, and have been a member since COVID-19. I have used the pools for recreation and fitness, and understand working family's needs as well as the need of retirees, etc. I am 100% invested in making the services useful to all members of the community -- high schoolers, families, recreational groups, fitness swimmers, rehab people,

commission(s).

etc. I also have benefited from land fitness, including grp classes as well as personal training. I have lost 110 pounds through diet and exercise -- something I could not do without WAFC. Finally, I would love to help promote relations BTW UWW, it's PE and PE teachers, and WAFC. I have taught a UWW for 29 years, and in my retirement would be willing to work to bring like-minded grps together. I'd love to help organize nutrition/lifestyle change classes w students studying nutrition at the university. We could use the free scientific program from the CDC curriculum: <https://www.cdc.gov/diabetes-prevention/lifestyle-change-program/lifestyle-change-program-details.html>
