PO Box 178
Whitewater, Wisconsin 53190

Dear Whitewater City Administration;

Please accept this letter as my formal resignation from the Landmarks Commission. I am grateful to have served on the Commission and appreciate all the valuable experiences and friends I have gained. Unfortunately, I have some pressing medical issues that need immediate attention. I will continue to support our Landmark's as I believe it's an important part of our history and economics.

Restfully submitted

Gloria M Buley
