as amended and restated as of February 26, 2015

9/23/2014

FOR VALUE RECEIVED, Slipstream LLC, a Wisconsin limited liability company (the "Maker"), hereby promises to pay to the order of COMMUNITY DEVELOPMENT AUTHORITY OF THE CITY OF WHITEWATER, WISCONSIN (together with its successors and assigns, the "Lender"), the principal sum of FORTY-TWO THOUSAND DOLLARS (\$42,000.00) (the "Loan"), together with all accrued and unpaid interest on the principal amount outstanding from the date hereof until paid in full, at such location as the Lender shall specify to the Maker.

1. Interest Rate and Payments. The term of this Secured Promissory Note (this "Note") shall be five (5) years, with all unpaid principal and interest due and payable on August 27, 2019 (the "Maturity Date"). All payments of principal and accrued interest shall be made in lawful currency of the United States of America as follows:

(a) The unpaid principal amount of this Note shall bear interest at a fixed rate per annum equal to twelve percent (12.00%). All interest due under this Note shall be computed for the actual number of days outstanding on the basis of a 365-day year. If at any time and for any reason whatsoever, the interest rate payable hereunder shall exceed the maximum rate of interest permitted to be charged by the Lender to the Maker under applicable law, such interest rate shall be reduced automatically to the maximum rate of interest permitted to be charged under applicable law, with any excess interest collected being applied against principal.

(b) On each annual anniversary date of the date of this Note (or if such anniversary date is not on a business day, the next succeeding business day), the Maker shall make a payment of principal and interest in an amount equal to the applicable percentage (the "Applicable Percentage") of the Maker's net revenues for the four fiscal quarters most recently ended ("Revenues"), as more fully described on Schedule 1 to this Note, with a final payment of all outstanding principal, accrued and unpaid interest, and all other amounts due and owing hereunder, if any, due on the Maturity Date.

(c) Notwithstanding the foregoing, the Maker shall pay to the Lender all outstanding principal, accrued interest, and all other amounts owed hereunder upon the earliest to occur of the following: (i) the Maturity Date, or (ii) the acceleration of the amounts owing under this Note due to an Event of Default (as defined below). All payments hereunder will be applied first to accrued and unpaid interest and the balance, if any, to principal.

2. Prepayment. The Maker may make prepayments, in whole or in part, at any time prior to the Maturity Date without penalty. Prior to any such prepayment, the Maker shall provide the holder of this Note with at least ten (10) business days' prior written notice, and the holder shall have the opportunity to convert this Note in accordance with the terms hereof (if this Note is then convertible) in lieu of such prepayment.

3. Security. This Note is secured by the assets of the Maker as provided in that certain General Business Security Agreement dated as of August 29, 2013, by the Maker in favor of the Lender (the "Security Agreement").

4. Conditions Precedent. The obligation of the Lender to make the Loan is subject to the satisfaction on or before the date of this Note of each of the following express conditions precedent:

(a) The Lender shall have received each of the following (each to be properly executed, dated, and completed), in form and substance satisfactory to the Lender:

(i) this Note duly executed by the Maker; and

(ii) a certificate of an officer or the manager of the Maker, dated as of the date of this Note, as to (A) the incumbency and signature of the officers and/or the manager who have signed this Note and any other documents or materials to be delivered by the Maker to the Lender pursuant to this Note; (B) the adoption and continued effect of resolutions of the governing body of the Maker authorizing the execution, delivery, and performance of this Note, together with copies of those resolutions; and (C) the accuracy and completeness of copies of the organizational documents of the Maker, as amended to date, attached thereto.

(b) The Lender shall have received such other agreements, instruments, documents, certificates, and opinions as the Lender or its counsel may reasonably request.

5. Covenants. From and after the date of this Note and until the entire amount of principal of and interest due on the Loan, and all other amounts of fees and payments due under this Note and the Security Agreement, are paid in full:

(a) as soon as available, and in any event within one hundred twenty (120) days after the close of each fiscal year, a copy of the detailed annual financial statements of the Maker prepared in reasonable detail and in accordance with generally accepted accounting principles;

(b) as soon as available, and in any event within thirty (30) days after the end of each fiscal quarter, (i) a company-prepared balance sheet of the Maker as of the end of each such fiscal quarter and of the prior four fiscal quarters; and (ii) statements of income of the Maker for each such fiscal quarter and for the prior four fiscal quarters, all in reasonable detail and certified as true and correct, subject to audit and normal year-end adjustments, by the manager of the Maker; and

(c) such other financial information relating to the Maker and its business as may be requested by the Lender.

6. Events of Default. As used in this Note, "Event of Default" shall mean any one of the following:

(a) The Maker shall fail to pay any sum when due or perform any covenant, agreement, or obligation hereunder or under the Security Agreement, or an event of default shall occur under the Security Agreement;

(b) A default or an event of default shall occur under any other agreement evidencing indebtedness of the Maker and such default (i) consists of the failure to pay such indebtedness when due, whether by acceleration or otherwise, or (ii) accelerates the maturity of such indebtedness or permits the holder or holders thereof, or any trustee or agent for such holder or holders, to cause such indebtedness to become due and payable (or require the Maker to purchase, defease, or redeem such indebtedness or post cash collateral in respect thereof) prior to the expressed maturity of such indebtedness.

(c) The Maker shall cease active conduct of its principal business operations at a location that is in the City of Whitewater, Wisconsin (as such City boundaries are modified from time to time, the “Territory”) (failure of the Maker to employ at least one (1) employee in its principal business operations in the Territory shall be deemed to be the cessation of the active conduct of the Maker’s principal business operations), and such cessation continues for an uninterrupted period in excess of forty-five (45) days or exists for periods that total in excess of sixty (60) days within any twelve (12)-month period. Notwithstanding the foregoing, in the event that such cessation is due to fire or other casualty, such cessation shall not be considered an Event of Default if the Maker sends written notice of the casualty to the Lender within forty-five (45) days of the date of such casualty and the Maker resumes active conduct of its principal business operations in the Territory within a time period reasonably acceptable to the Lender.

(d) The Maker makes an assignment for the benefit of creditors, fails to pay, or admits in writing its inability to pay its debts as they mature, or if a trustee of any substantial part of the assets of the Maker is applied for or appointed; and

(e) Any proceeding involving the Maker is commenced by or against the Maker under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution, or liquidation law or statute of the federal government or any state government.

7. Remedies.

(a) Upon the occurrence of an Event of Default under Sections 6(a) through Section 6(c), the Lender may, upon notice and demand to the Maker, declare the entire amount of unpaid principal and accrued and unpaid interest under this Note immediately due and payable. Upon the occurrence of an Event of Default under Section 6(d) through Section 6(e), the entire amount of unpaid principal and accrued and unpaid interest under this Note automatically shall become immediately due and payable.

(b) Upon the occurrence of an Event of Default, the Maker hereby agrees to pay all reasonable fees and expenses incurred by the Lender, including reasonable attorneys’ fees of counsel, in connection with the protection and enforcement of the rights of the Lender under this Note, including without limitation the collection of any amounts due under this Note and the protection and enforcement of such rights in any bankruptcy, reorganization, or insolvency proceeding involving the Maker.

(c) While any Event of Default exists, at the option of the Lender, the principal amount outstanding under this Note shall bear interest at a rate equal to fifteen percent (15%) per annum.

(d) No remedy herein conferred upon the Lender is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Note or now or hereafter existing by law. No failure or delay on the part of the Lender in exercising any right or remedy hereunder shall operate as a waiver thereof nor shall any single or partial exercise of any right hereunder preclude other or further exercise.

8. Waiver. The Maker and all endorsers hereof hereby waive presentment, demand for payment, notice of dishonor, notice of nonpayment, protest and notice of protest, and all other notices and demands in connection with the delivery, acceptance, performance, default or enforcement of this Note, and agree that the liability of the Maker shall be unconditional without regard to the liability of any other party and shall not be affected by any indulgence, extension of time, waiver, release of any party or of any of the Collateral (as defined in the Security Agreement), or other modification granted or consented to by the Maker or holder hereof.

9. Future Convertibility. For the avoidance of doubt, prior to the occurrence of either (i) or (ii) in the following sentence, this Note shall not be convertible. Upon the occurrence of either (i) any assignment by Lender of this Note, any such assignment which shall be exempt from the registration requirements of the Securities Act of 1933, as amended, and shall not cause the offering pursuant to which Lender originally acquired the Note to be ineligible for an exemption from such registration requirements as a condition thereto, or (ii) the date on which the original Lender becomes legally permitted to hold equity securities, this Note shall have the conversion rights as follows.

(a) All of the outstanding principal balance and accrued but unpaid interest under this Note shall be convertible, at the option of the holder thereof, without the payment of additional consideration by the holder thereof, into 17,045 fully paid and nonassessable Common Units of the Maker (the "Common Units"), subject to adjustment as provided in Section 9(c) below. In the event that any of the principal balance of this Note has been prepaid in accordance with the terms hereof prior to a conversion by such holder, the number of Common Units into which this Note is convertible shall be reduced *pro rata* by that portion of the principal that has been so prepaid. By way of example only, if the original principal amount of this Note were \$10,000, and \$5,000 of such principal amount had been prepaid prior to conversion by the holder of this Note, then this Note would following such partial prepayment be convertible into 8,522.5 Common Units of the Maker.

(b) Any such holder shall effect conversions by providing the Maker with a notice of conversion specifying the amount of this Note to be converted and the date on which such conversion is to be effected (such date, the "Conversion Date"). If no Conversion Date is specified in a notice of conversion, the Conversion Date shall be the date that such notice of conversion to the Maker is deemed delivered hereunder. The Maker's obligation to issue and deliver the Common Units acquired by such holder upon delivery to Maker of a notice of conversion in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by a holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by such holder or any other person of any obligation to the Maker.

(c)

(i) If the Maker, at any time while this Note is outstanding: (A) pays a unit dividend or otherwise makes a distribution or distributions payable in Common Units or any other Common Unit Equivalents (defined below); or (B) subdivides outstanding Common Units into a larger number of Common Units or consolidates outstanding Common Units into a smaller number of Common Units; then the number of Common Units issuable hereunder shall be multiplied by a fraction of which the numerator shall be the number of Common Units outstanding immediately after such event and of which the denominator shall be the number of Common Units (excluding any treasury units of the Maker) outstanding immediately before such event. For purposes of this Note, "Common Unit Equivalents" means any securities of the Maker or its subsidiaries which would entitle the holder thereof to acquire at any time Common Units, including, without limitation, any debt, units other than the Common Units, rights, options, warrants or other instrument that is at any time convertible into or exchangeable for, or otherwise entitles the holder thereof to receive, Common Units.

(ii) The Maker shall not, at any time while this Note is outstanding, distribute to all holders of Common Units (and not to the holder of this Note) evidences of its indebtedness or assets (including cash or cash dividends); *provided* that notwithstanding the foregoing, Maker may distribute from time to time during any calendar year amounts not to exceed 40 percent of Maker's annual taxable income during such year to holders of Common Units for purposes of satisfying such holders' income tax obligations attributable to their holding of the Common Units.

(iii) If, at any time while this Note is outstanding, (i) the Maker effects any merger or consolidation of the Maker with or into another person, (ii) the Maker effects any sale of all or substantially all of its assets in one transaction or a series of related transactions, (iii) any tender offer or exchange offer (whether by the Maker or another person) is completed pursuant to which holders of Common Units are permitted to tender or exchange their units for other securities, cash or property, or (iv) the Maker effects any reclassification of the Common Units or any compulsory unit exchange pursuant to which the Common Units are effectively converted into or exchanged for other securities, cash or property (in any such case, a "Fundamental Transaction"), then, upon any subsequent conversion of this Note, the holder hereof shall have the right to receive, for each Common Unit that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction, the same kind and amount of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of one Common Unit (the "Alternate Consideration"). For purposes of any such conversion, the number of Common Units issuable upon conversion hereof shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one Common Unit in such Fundamental Transaction. If holders of Common Units are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the holder hereof shall be given the same choice as to the Alternate Consideration it receives upon any conversion of this Note following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Maker or surviving entity in such Fundamental Transaction shall issue to the holder hereof new secured convertible notes consistent with the foregoing provisions

and evidencing such holder's right to convert such note into Alternate Consideration. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 9(c)(iv) and insuring that this Note (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction.

(iv) If any event occurs of the type contemplated by the provisions of this Section 9(c) but not expressly provided for by such provisions (including, without limitation, the granting of unit appreciation rights, phantom unit rights or other rights with equity features), then the Maker's Board of Directors in good faith will make an appropriate adjustment in the number of Common Units issuable upon conversion of this Note so as to be equitable under the circumstances and otherwise protect the rights of the holder of this Note; provided that no such adjustment will decrease the number of Common Units issuable upon conversion of this Note as otherwise determined pursuant to this Section 9(c).

10. Successors and Assigns. The Maker may not assign this Note without the consent of the Lender or the holder of this Note. All the provisions hereof shall extend to and inure to the benefit of the Lender and any and all person(s) hereunder from time to time owning or holding this Note, and their respective heirs, legal representatives, successors, and assigns.

11. Waiver of Jury Trial. **THE MAKER HEREBY WAIVES ITS RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS NOTE. THE MAKER ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT FOR THE MAKER AND THE LENDER TO ENTER INTO THIS NOTE, THAT THE MAKER AND THE LENDER HAVE RELIED ON THE WAIVER IN ENTERING INTO AND MAKING THE ADVANCES EVIDENCED UNDER THIS NOTE, AND THAT EACH WILL CONTINUE TO RELY ON THE WAIVER IN THEIR RELATED FUTURE DEALINGS. THE MAKER FURTHER WARRANTS AND REPRESENTS THAT THE MAKER HAS REVIEWED THIS WAIVER WITH, OR HAS BEEN GIVEN THE OPPORTUNITY TO REVIEW THIS WAIVER WITH, ITS LEGAL COUNSEL, AND THAT THE MAKER KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS.**

12. Governing Law; Venue. This Note shall be governed by, and shall be construed and enforced in accordance with, the internal laws of the State of Wisconsin, without regard to conflicts of laws principles. Any action arising from or relating in any way to this Note shall be tried only in the state or federal courts situated in the Eastern District of Wisconsin. The Maker consents to jurisdiction and venue in those courts to the greatest extent allowed by law. The party that substantially prevails in any action to enforce any provision of this Note shall recover all costs and attorneys' fees incurred in connection with the action.

13. Miscellaneous. If any provision of this Note is held to be invalid or unenforceable by a court of competent jurisdiction, the other provisions of this Note shall remain in full force and effect and shall be liberally construed in favor of the Lender in order to effect the provisions of this Note. The Lender shall not be deemed, by any act of omission or commission, to have waived any of its rights or remedies hereunder unless such waiver is in writing and signed by the Lender, and then only to the extent specifically set forth in the waiver. A waiver on one event

shall not be construed as continuing or as a bar to or waiver of any right or remedy to a subsequent event. This Note may not be changed or terminated orally, but only by an agreement in writing signed by the party against whom enforcement of such change or termination is sought.

14. Further Assurance. From and after the date of this Note, each party agrees that it shall execute and deliver such document and take such action as may be reasonably requested by the other party to carry out the purposes and the transactions contemplated hereby.

15. Amendment and Restatement. This Amended and Restated Secured Promissory Note is an amendment and restatement of that certain Secured Promissory Note in the original principal amount of \$42,000.00 dated August 27, 2014, executed by the Maker payable to the order of the Lender (the "Prior Note") and evidences an extension, continuation, and renewal of the indebtedness evidenced by the Prior Note. The Maker hereby acknowledges and agrees that such indebtedness has not been repaid or extinguished and that the execution hereof does not constitute a novation of the Prior Note. Moreover, this Amended and Restated Secured Promissory Note shall be entitled to all security and collateral to which the Prior Note was entitled, without change or diminution in the priority of any lien or security interest granted to secure the Prior Note.

IN WITNESS WHEREOF, the Maker, intending to be legally bound hereby, has executed these presents the day and year first written above.
