Subject: Recommendation to Cancel January 6, 2026, Common Council Meeting

I am writing to recommend that we cancel the regularly scheduled Common Council meeting on January 6, 2026. This is a practice I inherited as City Manager, and I am simply continuing it so long as it remains the Council's wish to do so. Given the proximity to the holidays and the likelihood of member travel plans, I believe postponing to our next regular meeting is the most practical approach. The next meeting would be on January 20, 2026.

Please let me know your thoughts on this recommendation. If there is consensus, we can coordinate the necessary public notice and communications.
