

Adult Services Report: June 2024

- I am in the process of being trained to help with the Library Memory Project.
- Training Circ staff on how to use the Translation software that the City is doing a 6-month demo of.
- Working with Bridges on the Library Adventure Treasure Hunt. We have already had to request more supplies which is a great sign!

Collection Development:

- I have continued to get to know the collection and have been working on ordering and cataloguing materials. Collections include DVD's, CD's, Books on Disc, Playaways, Non-Fiction, Adult Graphic Novels, & Lucky Day items.
- I created 4 June displays.
