

Group 2 No Charge

Sports organizations that are providing a recreation program or activity that the Parks Department does not or cannot otherwise provide will be given use of the facility for that program at no charge if the following conditions are met.

- While the organization may choose to provide a club level program, they must also provide a recreation level program. A recreation level program is any program provided to promote and develop interest in a particular activity. The program must be instructional and/or recreational or competitive in nature and open to the entire community to participate.
- All participants must be able to participate. If participants are not allowed the opportunity to participate in the activity, the activity is not recreation in nature and therefore exempt from waiver of fees.
- A written 3 Year agreement between the organization and the city will be presented to and approved by the Parks and Recreation Advisory Board prior to authorized use of any facility for reduced rate. This agreement must include:
 - Schedule of facility use. General dates of use are acceptable, specific game information is not necessary. Example: April 15- June 31, September 21-October 15.
 - Phone, email, and mail contacts for the responsible persons of the organization.
 - Description of how the program meets the definition of a recreation program as listed above.
 - Fee schedule
 - Itemized specific needs from the City.
 - Description on criteria for reduced fee structure for low income community members to allow all to participate regardless of economic status.
- Insurance must be provided in the amount of \$500,000 with the City of Whitewater listed as additionally insured.
- The organization will be formed, financed, developed, governed and administered wholly by the organization.
- The city will be responsible for the overall maintenance of the facility. The organization will be responsible for providing all necessary maintenance required to provide the program. These items may include but are not limited to line painting, chalking, nets, specialized equipment, etc. If the organization requires the City to provide any of these items or labor, the organization will reimburse the City fully.
