Project is slated for spring completion.				
If, for any reason, Aqualis is unable to televise any segment of pipe, a charge of \$295.00 per hour will apply until the crew resumes televising. A re-mobilization fee may also be assessed for additional work caused by dirt, deposits, roots, or similar obstructions.				
Upon completion of the televising the customer will receive the CCTV reports and video via electronic link. One hard copy at customer's request.				
A representative from Aqualis will review all cctv video in order to flag sewer repairs - including laterals and manholes.				
This proposal serves as an estimate for completion of the work and can be adjusted to take into consideration any unforeseen circumstances.				

Please notify Aqualis within thirty days if the quotation is accepted. All material is guaranteed to be specified. All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from above specifications involving extra cost will be executed only upon written orders, and will become an extra charge over and above the estimate. If prevailing wage apply - this quote will be adjusted accordingly. Bond fee and/or additional insurance requirements are not included in the quote amount. If applicable, add the amount (s) to this quote.
