RE: E. Main Court Development

DATE: 12 DEC 2024

Taylor:

The fire department is in support of the development of Lot 10B for commercial residential dwellings. The addition of 60 market rate apartment units should not adversely impact service delivery. Provided the final plans include a sprinkler system in accordance with NFPA 13, and the addition of fire hydrants to serve the development, there are no concerns from our department.

Thank you.
