Re: Recommendation for Kelsey Price- Community Development Authority

I am pleased to recommend Kelsey Price for a position on the Community Development Authority. Kelsey has lived and worked in Whitewater for over 30 years and has a deep understanding of the community's needs and potential for growth.

As a current member of the Ethics Committee, she has demonstrated her commitment to responsible governance and community well-being. Kelsey is passionate about fostering balanced development, advocating for growth that includes both single-family homes and student housing to support the diverse needs of Whitewater residents.

Her experience, dedication, and vision for sustainable community growth make her an excellent candidate for the Community Development Authority.

Best, - JSW
