

REACTIVE POLICING IMPACTS

YEARLY COMPARISON BETWEEN TRAFFIC STOPS & TOTAL CALLS FOR SERVICE

15% of patrol hours per year are diverted from proactive policing to reactive policing due to staff capacity.

This equates to **3,743 patrol hours lost/diverted** annually.

Proactive policing helps prevent crime before it happens and contributes to building trust throughout the community.

*Averages for traffic stops are calculated comparing data averages from 2011-2019 to averages from 2022-24, removing years 2021-22 due to COVID's impact on the data.
