Staff Loan Privileges

All employees of Irvin L. Young Memorial Library will be given a library card with staff privileges. ~~Staff members are allowed to have overdue items without paying the fines imposed on regular patrons.~~ Staff members are to follow all the same consortium rules for circulation that other patrons must follow, to include, but not limited to:

- Following the same loan periods as regular patrons
- No shuffling of the holds list for an item
- Following the same renewal rules as regular patrons and not overriding that renewal maximum

At the director's discretion, abuse of staff privileges may result in disciplinary measures being taken.
