BACKGROUND

(Enter the who, what when, where, why)

The Walworth County Economic Development Alliance (WCEDA) provided the attached report to the Walworth County Housing Taskforce at their meeting on 10/09/2024 as part of their contract with the Walworth County Board. Lisa Dawsey Smith reports that the task force committee is nearing the end of its lifespan as it prepares to provide a recommendation back to the County Board. There is interesting information it could be beneficial to members of the CDA and Common Council to see and understand. WCEDA provided this as part of a contract with the Walworth County Board. Any questions about the report may be directed to Lisa Dawsey Smith.
