Subject: Special Meeting of the Common Council

You don't often get email from robinkfox@gmail.com. [Learn why this is important](#)

Dear Members of the Ethics Committee:

I was on the Common Council website and saw that there was a special meeting of the council on Monday night regarding an ethics complaint that we reviewed. I was not made aware of the meeting and as a member of the Ethics Committee, this is concerning. I realize that the discussion would have happened in closed session but being made

aware of the meeting seems like a common courtesy given the time we spent reviewing the initial complaint.

If I missed an email in which we were made aware this was taking place, please correct me. Otherwise, I want it to be noted that the omission of alerting the committee is, at best, an oversight and at worst, unethical.
