Agenda Item: Approval of Sale Wastewater Portable Onis Generator

Staff Contact (name, email, phone): Brad Marquardt, bmarguardt@whitewater-wi.gov, 262-473-0139

BACKGROUND

(Enter the who, what when, where, why)

A permanent generator was installed as part of the new Vanderlip lift station upgrades. Historically, in the event of a power outage, this lift station was powered via a portable generator. Now that this lift station has a permanent generator, there is no need for the portable generator. The Utility purchased a smaller newer generator several years ago that can be used for other lift stations in the event of a power loss. We would like to put this generator on Wisconsin Surplus auction site.
