BACKGROUND

(Enter the who, what, when, where, why)

The University is looking to improve the safety of pedestrians crossing Starin Road within the campus area. One possibility the University wanted to explore was closing Starin Road to vehicular traffic between Warhawk Drive and Prairie Street during weekday school hours. To see what issues might arise, Starin Road was closed to traffic Monday – Friday from 6:00 am to 6:00 pm from October 7 – October 18. Traffic cameras were installed on Main Street and Schwager Drive to collect vehicle data from October 7 – November 1.

Attached are the data files for Main Street and Schwager Drive. The Volume Change Summary tables show an increase, on average, of 541 more vehicles per day on Main Street and 838 more vehicles per day on Schwager Drive between the hours of 6:00 am and 6:00 pm during the weekday. This is an increase of 6.3% and 68.2% respectively during that timeframe. On Main Street the Average Week Day Traffic (AWDT) was 8,968 with Starin Road open and 9,454 with Starin Road closed. On Schwager Drive the AWDT was 1,448 with Starin Road open and 2,309 with Starin Road closed. The AWDT on Starin Road in February 2024 was 3,677.

Also attached are comments received from various city departments. In general, the consensus is to leave Starin Road open due to: reduced police response times, the additional traffic added to an already busy Main Street, pedestrian accidents on Main Street versus none on Starin Road, the closure of Starin Road not incorporating all of the busy campus crosswalks crossing Starin Road, and the unknowns with snow plowing operations.

The University will also be in attendance to provide feedback they collected.

PREVIOUS ACTIONS – COMMITTEE RECOMMENDATIONS

(Dates, committees, action taken)

At the September 17, 2024 Council meeting, the Council voted to temporary close Starin Road for a two-week trial period.

STAFF RECOMMENDATION

The consensus recommendation from city staff is not to move forward with the closure of Starin Road between Warhawk Drive and Prairie Street.

In lieu of closing the street, perhaps additional signage (2' X 3' yellow) could be added at Prince Street (eastbound) and at Graham Avenue (westbound). Suggested wording could be:

- ENTERING STUDENT CROSSING ZONES – USE CAUTION
- BE PREPARED TO STOP FOR CROSSING STUDENTS
