NARRATIVE

On Saturday, October 4, 2025, at approximately 11:29am, I, Lt. Aldrich, was working a special event at the Cravath Lakefront Park, when I was notified of the inflatable pumpkin from the roof of the municipal building falling, and landing on a vehicle near the intersection of W Whitewater St. and S Fremont St. in the City of Whitewater, Walworth County, WI. My Axon body camera was activated for this incident.

When I got to the intersection, I noted that the inflatable had landed on a vehicle bearing Wisconsin registration AGH4290. The inflatable had fallen off of the roof due to high winds, which had lifted the inflatable and weights meant to keep it held down. When the inflatable fell to the ground, it brought rocks and other debris from the roof, which landed on the car parked on the East side of the municipal building in the parallel parking spots on S Fremont St. There were several rocks still on the hood and windshield of the car. I noted there were several chips in the paint on the hood, and one dent on the hood, all of which looked to be fresh damage as a result of rocks striking the vehicle. The inflatable was removed from the area, and later picked up by staff of the City.

Contact was made with the owner of the vehicle, Elizabeth M. T. Smith (F/W, DOB 09/08/1957). Smith met us at her vehicle, and Smith confirmed the damage was not there previously. Smith was provided the case number for this incident and informed she could contact the City after reporting it to insurance if she wished for her vehicle to be fixed. I then cleared from the scene.

I have no further information for this incident.
