Agenda Item: Water main Easement

Staff Contact (name, email, phone): Brad Marquardt, bmarguardt@whitewater-wi.gov, 262-473-0139

BACKGROUND

(Enter the who, what when, where, why)

Within the lots created by the Starin Road Certified Survey Map there exists a water main. If the City sells these lots, there should be a water main easement in place that would outline what the easement is for, and the rights of the new property owner and the City. In order to have the easement in place, the City must grant to itself an easement.
