Dear Chief Meyer,

We are pleased to submit a proposal for a Police Organizational and Workload Analysis for the City of Whitewater. Municipal Consulting projects have become a major focus for McMahon Associates, Inc. (McMahon). Our teams' passion for Public Safety and working with police departments provides the basis for our interest in submitting this proposal. Similar work in the past has included departments such as the Villages of Mukwonago, Germantown, and Cities of De Pere and Green Bay.

McMahon's Public Safety & Municipal Management Group's focus is on national and international public management consulting services. Most of our clients are public sector entities: municipalities, counties, tribes, or special districts. Our team of consultants are all senior level staff and are either current or former municipal management practitioners. An important component of our approach is frequent communication with the Municipal and Tribal Administration.

Our extensive operational and strategic experience in the public safety area uniquely qualifies us for a project of this nature. The team has management, operational, technical, and consulting experience with all types of municipal and public safety operations experience.

Thank you for the opportunity to submit this proposal. If you have any questions or desire to schedule a meeting where we can present our proposal in more detail and answer any questions, please feel free to contact me at 414-232-1148 or by email at [rwhitaker@mcmgrp.com](mailto:rwhitaker@mcmgrp.com). We look forward to working with you on this important project!

Respectfully,  
McMahon Associates, Inc.
