Effective June 11, 2026, pertinent records of the local and state agencies have been searched concerning the applicants for alcohol beverage license renewals. The attached information is being supplied on an official basis. Only that information which would bear upon these applications is recorded.

Qualifications for license in accordance with Wisconsin State Statute 125.04(5)(a) as affected by Chapter 79 and 391, Laws of '81 effective 1/1/82 which states in part: *“Natural persons. Licenses and permits related to alcohol beverages, issued to natural persons under this chapter, may be issued only to persons who: 1. Do not have an arrest or conviction record, subject to s. 111.321, 111.322, and 111.335: . . .”* Statute 111.335---Arrest or conviction record: Exceptions and special cases---reads in part: *“(c) Notwithstanding s.111.322 it is not employment discrimination because of conviction record to refuse to employ or license, or to terminate from employment or licensing any individual who: 1. Has been convicted of any felony, misdemeanor or other offense the circumstances of which substantially relate to the circumstances of the particular job or licensed activity; or . . .”*

The licensees on the attached sheet have arrests, violations, and/or convictions which substantially relate to the requested alcohol license. Please note that the department is not recommending denial of any of these licenses. This information is provided to give the common council information that it may want to consider in making its decisions. The City Attorney's office has advised us that there must be a formal hearing held before the alcohol licensing committee prior to the denial of any license renewal.
