Hello Chelsea,

You will have to appeal to the Alcohol License Committee. If that is something you want to do, I will get it scheduled. Please let me know.

Thank you,

I was denied for my liquor licenses due to forgetting the list certain offenses on my application and I was hoping to appeal or communicate about that! I didn't want to miss any charges when filling out my application so I used my ccap as reference to list my offenses but apparently they weren't all on there so I had missed two.

With that being said I had listed my possession of the charge on there but I listed it as a disorderly because I went to court and got it dropped to a disorderly, so I listed it as that! And for the retail theft one I just completely forgot it happened and I didn't see it on my ccap so I missed putting it down!
