
17.4-19 I-1 institutional district.

The I-1 institutional district is intended to provide specific areas for uses which are under governmental, public utility, or institutional ownership and where the use for public purpose is anticipated to be permanent. This district may provide for schools, places of worship, libraries, museums, and other such uses, as well as their common accessory uses such as auditoriums and play fields. Parks and open space are not primary uses in this district.
