

## **The Royal Hounds of Whitewater**

We are the Kistle's and we are proud owners of service businesses dedicated to caring for individuals since 2020. With three successful service businesses already established, we are not newcomers to the area. Now, we are eager to expand our investments into Whitewater by opening a Doggy Daycare to serve the community's canine population.

While we understand that the city of Whitewater may not have had experience with a business like ours before, it is worth noting the success of similar doggy daycares in other communities across Wisconsin. Despite a lack of previous permit requests for this type of business in Whitewater, doggy daycares have thrived in various parts of the state. Many of these facilities, like those in zones similar to Lot 1BR, provide outdoor play areas and have become valued services within their communities. A sampling of these successful facilities include:

- Playtime Doggy Daycare III

Our proposed doggy daycare represents more than just a business venture; it embodies our commitment to enhancing community spirit and economic vitality in Whitewater. We have observed a significant demand for local amenities, evidenced by an influx of visitors from surrounding areas seeking essential services. By establishing our daycare, we aim to address this demand and become a go-to destination for pet owners in our town and its environs, potentially boosting tourism from neighboring areas.

In addition to providing top-tier care and services for dogs, our facility will serve as a catalyst for increased local engagement. It will encourage both residents and visitors to invest more time and resources within our

town, thereby bolstering our local economy. Furthermore, by creating job opportunities, our doggy daycare will contribute to the town's economic resilience and overall prosperity.

Lot 1BR, located near highway 12 and the new Kwik Trip Gas station, is an ideal location for our business. With ample space for outdoor play areas and easy accessibility from main roads, it offers convenience for pet owners while ensuring a peaceful environment for our operations.

In terms of environmental considerations, we are committed to minimizing our impact. Dog waste will be promptly scooped and disposed of properly, and we will use an enzyme cleaner that is safe for both the yard and dogs to sterilize our paved yard during cleaning sessions. Additionally, we will implement a rigorous waste management plan and utilize eco-friendly cleaning products to reduce chemical pollution.

To address noise concerns, we are fortunate that our closest residential neighbors are across the street, with a commercial building next to us. Additionally, we will limit outdoor play hours to times less likely to disrupt the surrounding community, such as during daytime hours.

By establishing our doggy daycare in Whitewater, we not only fulfill a clear demand for pet care services but also contribute to the economic growth and community well-being of our city. Our commitment to environmental sustainability and responsible operations further solidifies our case for establishing this much-needed facility in our community.
