I am writing in regards to the proposed Dog Daycare Center on Bluff Road. Even though I love dogs, I do not think this is a great location for this proposed center. With all the residential houses in that area, I believe the excess barking that I am sure will be taking place and other activities of all the dogs would be a big nuisance to all the neighboring houses. I like the idea of a Dog Daycare Center but not in an area where there are houses all around. I know what it is like to live next to a neighbor with just ONE barking dog, I cannot imagine what having to live next to a day care center would be like. So my vote is definitely NO for the Bluff Road location. Thank you for your time.
