

## Whitewater Landmarks Commission

May 8, 2025

Delta Zeta Sorority  
604 W. Main Street  
Whitewater, WI 53190

Dear Members of the Delta Zeta Sorority,

The month of May celebrates Historic Preservation in our country, state and community. Because of this annual event, the City of Whitewater Landmarks Commission would like to take this opportunity to extend our gratitude and appreciation to you as the owners of a Landmark property in our community.

The Whitewater Common Council approved an ordinance that created the Whitewater Landmarks Commission in 1982. The purpose of this Commission is the enhancement, perpetuation and protection of property of historical interest or value. We currently have (28) locally designated landmarks of which (15) are current or former residences. You may find a complete listing of our Local Landmarks by accessing our website: [whitewater-wi.gov/277/Landmarks-Commission](http://whitewater-wi.gov/277/Landmarks-Commission)

Your dedication to the preservation and maintenance of our historic landmarks allows for our community to continue its rich heritage. It also enhances the charm and beauty of our city for our residents and visitors. For this, we are most grateful!

Sincerely,

City of Whitewater Landmarks Commission

Pat Blackmer, Chairman

Gloria Buley
