TREASURER'S REPORT

1. Treasurer's Report.

Sherry provided a back ground that prior to the current board Urban Forestry received a donation of \$800.00 from Peter Underwood and his wife to be put towards educational programs on bees, trees and birds.

At that time Chuck Nass who was the arborist at that time recommended that the Urban Forestry Commission get a regular checking account and provided the City Tax ID to open the account so we were not paying fees.

Recently, Karen Dieter who is the comptroller of the city recently inform Kevin Boehm, Park and Recs Direction that since the checking account has a City Tax ID number that it needs to be available to be audited and viewed by the City.

We viewed this as petty cash which is not ok with the City.

We have two choses. We can either closed the current checking account with the City Tax ID and turn the money over to the City for Deposit into Fund 245 which is were Urban Forestry and Parks money is kept. This would allow the City to front us money for the tree sale and other projects.

Or we closed the current account and open a new account not associated with the City's Tax ID. The City will issue us a check for that they hold in for us in the 245 Account which is currently \$1,311.76. They would no longer front us funds for trees for the tree sale or other projects. We would be on our own.

We have never been a separate entity or a 501 3c. We don't have money coming in. We are an advisory committee to the city.

Kapner asked what Alt is most worried about with the money.

2. Discussion and possible action on segregated funds between the City and Urban Forestry Commission.

Matter was discussed in the Treasurer's Report.

Tabled to next meeting.

Stanek stated that she would like stump to stay. The center of the tree had a lot of rot.

Blackmer stated that it is not entirely Urban Forestry choice. Landmarks also has to weigh in on what will happen.

Chandler asked about whether the sign was easily stolen.

Beckman explained that is about 3 to 4 foot high monument that is permanent it was just removed during removal of the tree so it would not be damaged.

7. Discussion and possible action regarding landscaping guidelines.

McCormick explained that this came from Plan Commission with questions regarding updating and the point system. Due to having no information it was recommended it come back to this commission.

Beckman stated that he had the deer in the headlights look at the last meeting since no where in the landscaping guidelines policy does it explain the points system. At some point it was getting revised, however that person left and it never got passed on for completion. We are one of the few communities that actually has our landscape guidelines on our website. Beckman stated there is not much wrong with our landscape guidelines once you put the point system in it.

Alt stated that the old plants and species listed no longer works, however we can add points to the new plant species.
