### BACKGROUND

(Enter the who, what, when, where, why)

Once staff have investigated signage for Territorial Oak. It had become apparent that there are several questions that need to be answered about the Oak. Such as, what to do with the Oak now, future signage, where to place the signage, status of the stump, etc. Staff feels that these questions, would be best solved with a joint meeting between Landmarks and Urban Forestry Commission.

Staff has coordinate schedules are below are available dates for the groups to meet:

February 25, 2025

March 5, 2025

March 24, 2025
