

The building is a two-story structure with light-colored horizontal siding. The main two-story portion has a gabled roof with a brick chimney on the left side. A single-story extension with a corrugated metal roof is attached to the right side. The extension features a large, dark brown, multi-paned door. To the left of the extension, there is a small porch area with a white door and a window. Several other windows are visible on the upper and lower floors. The building shows signs of age and wear, particularly on the lower level.

The foreground is filled with tall, dry grass, indicating a late autumn or winter setting. The grass is unevenly cut and has a mix of green and brown tones.

A large, bare tree with intricate branch structure is positioned on the right side of the image, partially obscuring the sky and the building. The branches are dark and leafless.

In the background, a street scene is visible. A sign for "Carmichael's Auto Rep" is partially visible on a building. There are several cars parked along the street, including a red car and a blue car. A street lamp is also visible.

On the right side of the image, there are several black trash bins and some cardboard boxes or debris, suggesting a cluttered or neglected area.
