BACKGROUND

(Enter the who, what when, where, why)

The State Department of Transportation is planning on updating the curb ramps along the Connecting Highway portion of STH 59. This would include the section of Newcomb Street from Main Street to Starin Road and the round-a-bout area at Clay Street, Bluff Road and Milwaukee Street. The project entails replacing all the curb ramps to meet current ADA guidelines. Sidewalk will also be installed across driveways that do not have sidewalk. The overall DOT project includes the Cities of Whitewater, Elkhorn and Delevan. The project is currently scheduled for 2032, but could be advanced to 2030.
