TERMS & CONDITIONS OF SALE

1. **ENTIRE AGREEMENT.** Pieper Electric, Inc. is herein referred to as the "Seller" and the customer or person or entity purchasing services ("Services") and equipment, materials, and/or parts ("Goods") from the Seller is referred to as "Buyer." These Terms and Conditions of Sale, any applicable Fee Schedule, quotation, acknowledgment, Seller's scope of work, or invoice from Seller relevant to the sale of Services and Goods and all documents incorporated by specific reference herein or therein, constitute the complete and exclusive statement of the terms of this agreement ("Agreement") governing the sale of Services and Goods by Seller to Buyer. It is expressly agreed that no statement, arrangement, warranty, or understanding, oral or written, expressed or implied, will be recognized unless it is stated in, or otherwise permitted by, this Agreement. Seller's acceptance of Buyer's purchase order is expressly conditional on Buyer's assent to all of the terms of this Agreement, including terms and conditions that are different from or additional to the terms and conditions of Buyer's purchase order. Buyer's acceptance of the Services and Goods will manifest Buyer's assent to the terms of this Agreement. Seller reserves the right in its sole discretion to refuse orders.
2. **PRICES.** Unless otherwise specified in writing by Seller, the price quoted or specified by Seller for the Services and Goods shall remain in effect for thirty (30) days after the date of Seller's quotation. Seller's scope of work or acknowledgment of Buyer's order for the Services and Goods, whichever occurs first, provided an unconditional authorization from Buyer for the performance of the Services is received and accepted by Seller within such time. Terms of payment are net thirty (30) calendar days from date of Seller's invoice. For residential work, payment shall be made on the same day Services are provided by Seller. Seller shall have the right, among other remedies, either to terminate this Agreement or to suspend further performance under this Agreement with Buyer in the event Buyer fails to make any payment when due, which other agreements Buyer and Seller hereby amend accordingly. If any payment owed to Seller is not paid when due, it shall bear interest, at a rate to be determined by Seller, which shall not exceed the maximum rate permitted by law, from the date on which it is due until it is paid. Final payment shall constitute acceptance and approval of all work, and a waiver of all claims by Buyer, except those arising from liens or the warranty included in this Agreement. No retention shall apply to any of the work. Seller may preserve its interests in payment by enforcing any applicable mechanic's, labor, construction, or similar lien rights. Should Buyer's financial responsibility become unsatisfactory to Seller, cash payments or security satisfactory to Seller may be required by Seller for future performance. If such cash payment or security is not provided, in addition to Seller's other rights and remedies, Seller may discontinue performance. Buyer hereby grants Seller a security interest in all Goods sold to Buyer by Seller, which security interest shall continue until all such Goods are fully paid for, and Buyer, upon Seller's demand, will execute and deliver to Seller such instruments as Seller requests to protect and perfect such security interest.

Buyer shall be solely responsible for all risk, shall hold Seller harmless and free of liability, and shall compensate for any damages or costs arising out of such access or the failure to maintain access, except to the extent due to the intentional acts of Seller, its agents and/or employees.

The Buyer shall be solely responsible for all risk, shall indemnify and hold Seller harmless and free of liability, and shall bear the costs of any removal or correction of environmental materials. This Agreement is based upon the work to be performed by Seller not involving asbestos-containing or toxic materials and that such materials will not be encountered or disturbed during performing the work. Seller is not responsible for expenses, claims or damages arising out of the presence, disturbance, or removal of asbestos-containing or toxic material. If such materials are encountered, Seller shall be entitled to reasonable compensation for all additional expenses incurred as a result of the presence of asbestos-containing or toxic materials at the work site.

10. **JOB SIGN.** Buyer agrees to allow Seller to display a construction sign at the Project Site.
11. **CHANGES.** No changes, additions, alterations, deviations or extras to the Plans and Specifications shall be made without a written Change Order signed by the Buyer and Seller in advance, which will be performed based on Seller's standard time and material rates. Notwithstanding, Buyer's signature shall not be required for changes necessary to conform to codes, laws or regulations required by any utility or governmental authority, or to address existing conditions of the Project Site unknown to Seller at the time Seller signs this Agreement. Upon Seller's request, Buyer agrees to pay for all changes in advance of each change being commenced. Buyer understands and agrees that changes will extend the time of performance by at least five (5) business days for each change unless otherwise agreed in writing.
12. **WORK STOPPAGE.** Should work be stopped by any public authority or the Buyer for more than thirty (30) calendar days, Seller may terminate this Agreement and collect for the value of all work completed and materials ordered as of the date work is stopped, plus Seller's anticipated profit under this Agreement. Buyer's failure to sign Change Orders or Buyer's refusal to make progress payments, or any other cause beyond Seller's sole control, shall also be cause for work stoppage by Seller.

14. **EXCUSE OF PERFORMANCE.** While Seller will use all reasonable commercial efforts to maintain the performance dates acknowledged or quoted by Seller, all performance dates are approximate and not guaranteed. Seller shall not be liable for delays in performance or for non-performance due to acts of God; war; viral outbreaks, disease, pandemic, widespread sickness or epidemic; fire; flood; weather; sabotage; strikes or labor disputes; civil disturbances or riots; governmental requests, restrictions, allocations, laws, regulations, orders or actions; unavailability of or delays in transportation; default of suppliers; or unforeseen circumstances; acts or omissions of Buyer, or any events or causes beyond Seller's reasonable control. Any such delay shall extend the time of performance or, at Seller's option, terminate this Agreement if the cause of the delay cannot be resolved within thirty (30) calendar days. Where Seller elects to extend performance, Seller shall also be entitled to additional payment to reflect any increased cost of labor and/or materials. Seller will give notice to Buyer of delay and any adjustments to time of performance or cost of the work necessitated by the delay.
15. **LIMITED WARRANTY.** Seller warrants the proper performance of the Services for a period of ninety (90) days from the completion of the Services. Warranties applicable to Goods furnished by Seller shall be that of the manufacturer of such Goods and only to the extent assignable to Buyer. This warranty does not apply to bid work if the bid documents stipulate a lesser warranty. This warranty is in lieu of all other warranties, express or implied, of merchantability, fitness for a particular purpose, performance, or otherwise. Seller's liability under the warranty is strictly and exclusively limited to the repair or replacement at the job site of such work (including material and equipment) as is found to be defective within such warranty period, and with respect to which the Buyer has given Seller prompt written notice within such period. No allowance will be made for repairs or alterations unless made with Seller's prior written consent or approval. Such indemnification shall be reduced to the extent damage or injuries are attributable to others. The indemnifying party shall defend the other party in accordance with and to the extent of the above indemnification, provided that the indemnifying party is: i) promptly notified by the other party, in writing, of any claims, demands or suits for such damages or injuries; ii) given all reasonable information and assistance by the other party; iii) given full control over any resulting negotiation, arbitration or litigation, including the right to choose counsel and settle claims, or the indemnifying party's obligations herein shall be deemed waived.

Those entitled to lien rights, in addition to Seller, are those who contract directly with the Buyer or those who give the Buyer notice within sixty (60) days after they first furnish labor or materials for the construction. Accordingly, Buyer will probably receive notices from those who furnish labor or materials for the construction and should give a copy of each notice received to their mortgage lender, if any.
