**MAINTENANCE PLAN****How will the artwork be protected and maintained? (max 300 words) (Please describe how you will ensure the durability and vibrancy of your design.)\***

I would utilize bonding primer and exterior acrylic paint for maximum durability. I would highly recommend that the city remove any old paint from the traffic boxes before artists add in new primer and paint. This would allow for the new paint to adhere better. A clear anti-graffiti coat could be applied as well.

I live in Wauwatosa, WI and have friends and former students who attended UW-Whitewater. I'm proud to have such a well-reputed school nearby!
